NO INCREASE IN UPPER ADAMS SCHOOL TAXES; HIRE TEACHERS

The Upper Adams Merged District school board at its May meeting Monday evening adopted an \$850,695 school budget and passed tax resolutions keeping all levies at the same level as last year.

Three teachers were elected and Supt. Donald B. Hudson reported to the directors that only two positions remain to be filled for next fall.

The tax resolution provides for a 55-mill levy on real estate assessed at \$4,500,000, a \$10 per capita tax, a 15 per cent occupation tax and a one per cent real estate transfer tax. The local levies together with an expected \$6,500 from delinquent taxes will net \$355,697. State appropriations, including \$35,385 in reorganization incentives, are expected to total \$420,760.

ELECT 3 TEACHERS

Before final action was taken on the budget, the finance committee recommended that an additional \$10,000 be placed in the budgetary reserve as a buffer against a possible boost in school costs from legislation at the current session. It was this \$10,000 figure that boosted the total budget to \$850,000 but there remains an estimated year-end balance of \$20,276.

A beginning balance this July of \$94,513 helped offset rising school operation costs and permitted continuation of the old tax rate; directors noted.

On recommendation of the teacher committee, presented by its chairman, Dean Asquith, the board elected these three teachers at beginning salaries of \$4,000 per year: Miss Carol Freed, a West Chester State College graduate to teach music; Miss Doris Fahney, a Shippensburg State College graduate to teach Spanish and English; and Gilbert Smith, Gettysburg College, who will teach science and help with the athletic program.

The directors formally adopted a resolution concluding the procedure for refunding the 1960 bond issue by which the district gains a more favorable interest rate. Atty. Richard A. Brown was present to explain the resolution. He said the refunding operation will be complete May 16.

APRIL DECISION STANDS

Bids totaling \$56,500 were approved for payment out of a current cash balance of \$237,096 of which \$185,000 is on time deposits.

The board heard a letter read by President Oscar Rice Jr., from Cyrus Bucher, president of the Adams County Council of Churches, and other representatives of the church council, asking that the Arendtsville Elementary School also house the day care center for migrant children this summer. The summer school being set up by the county superintendent's office will be held at that school.

The directors took no action to change a decision of a month ago that the day care center be not included in the summer operation at the Arendtsville school.

AWARD CONTRACTS

Exonerations were granted to the tax collectors of Tyrone and Butler Twp. and Bendersville borough but directors made it

Want Programs For Centennial

County organizations planning special centennial programs were reminded today of the urgency in forwarding their plans to the Adams County Centennial Commission for inclusion on the program to be printed and distributed to thousands of tourists who will visit Gettysburg and Adams County this summer. Deadline for listings on the program is May 12.

Listings should be mailed promptly to the Coordinating Committee, Box 328B, Gettysburg, Pa.

\$14,600 IS PLEDGED FOR LIBRARY FUND

Col. Edwin H. Johnson, treasurer of the Adams County Library Development Fund, Monday evening reported that \$14,600 has been pledged in the first week of the campaign to raise \$100,000 for expanding library facilities.

The report was made at the initial meeting of the primary gifts division of which Clark Smith is chairman. Approximately 55 volunteers will contact prospects under the direction of Roy Hammond, chairman of the industrial section; Dr. W. E. Tilberg, commercial section; and Chester Byers, banks and foundations. The division chairman will report Friday evening when the first meeting of the major gifts division, headed by Attorney Donald G. Oyler, will be held.

INDICATES SUPPORT

Dr. Harry F. Baughman, general chairman of the fund drive, presided at the meeting which was held in the Hotel Gettysburg. He outlined the campaign for development funds and announced that the primary gifts division, under the direction of C. P. Keffer, will continue its efforts through the next several weeks. He expressed gratification at the initial pledge report and said "the response indicates excellent support of the library expansion program."

Library board president Atty. H. Thomas Pyle told the primary gifts chairman of the plans of the library under the development program and said that "the library has been in desperate need of additional room for many years." He said that one of the greatest needs is for a children's wing, which is included in the proposed addition.

ACCEPTS NEW CHARGE

Rev. Russell F. Seabright Jr., who has served since June 1959 as assistant pastor of the Evangelical Lutheran Church, Frederick, has submitted his resignation to the church council. He is resigning his position to accept a pastorate at the Good Shepherd Lutheran Church in Palmer Park, near Washington. Rev. Seabright graduated from the Lutheran Seminary here in 1956.

BAILED FOR COURT

Roy D. Swope, R. 4, arrested Monday by borough police on a charge of driving during suspension, entered a plea of guilty before Justice of the Peace Robert P. Snyder and posted \$500 bail to appear for sentence court Saturday.

DEER IS KILLED

A milk truck driver reported to the Quick Call Center early this morning that a deer had been killed about three miles west of here on the Lincoln Highway. The game protector was notified.

Birmingham Jails Bulge With Race Marchers; King Vows New Demonstrations

BIRMINGHAM, Ala. (AP)—Birmingham's jails are jammed with Negroes almost to the bursting point today, and leaders of a massive desegregation drive pledged more demonstrations. "We will definitely have more demonstrations starting about noon," said the Rev. Martin Luther King Jr., president of the Southern Christian Leadership Conference.

King's comment followed the arrest Monday of a police-estimated 1,000 marchers, including Negro comedian Dick Gregory. The vast majority of those arrested for parading without a permit were school children or other teenagers. Many skipped classes to join in the campaign.

More than 2,400 have been arrested since the massive demonstrations started Thursday. An additional 200-plus, including Kings, were arrested in earlier phases of the integration drive which began April 3. Police officials

COUNCIL NAMES ARCHITECT TO PLAN ADDITION

After lengthy discussion Gettysburg borough council Monday night named J. Alfr. Hamme and Associates of York as architect for the addition to the town's municipal building on E. Middle St. and adopted a number of other resolutions which completed the work necessary for submission of the plans to the federal government as an application for federal aid covering one-half cost of the proposed construction.

Council had in effect named Hamme as architect last month, setting a six per cent rate if the work is completed and a three per cent, or hourly rate, whichever might be cheaper, in case council abandons the project after getting bids for construction.

REFUSES PROPOSAL

Hamme refused to accept the proposal on that basis noting that the architects of York County have set a standard fee for payments when the planned work is not carried out. After reading the contract some councilmen estimated that the cost, if the work is not carried out, under the contract submitted by Hamme, is about four per cent of the lowest bid.

Much discussion pertained to whether an architect could be found to work cheaper than Hamme. Several councilmen noted the large amount of work that Hamme has done for the borough for which he has not been paid, such as plans for construction of a municipal building on E. Middle St. at Fifth which was abandoned and a number of prior drawings and studies in connection with the proposed present project. In addition, it was pointed out, Hamme has completed the specifications and plans for the present proposed construction and is ready "as of tonight" to go to Philadelphia with the final plans.

After passage of the required resolutions, council directed Hamme to arrange for a meeting of the council president, the property committee, the borough solicitor and the architect with federal officials at Philadelphia, possibly in about 10 days.

REVIEWING STAND

Council agreed to erect a reviewing stand for the battle centennial parade July 2 after they were informed by the state centennial commission that funds are all allocated and that it has no money for a reviewing stand. The letter asked the borough to assume responsibility for the stand, which is to be placed across High St. at the post office and said that cost of the construction of the stand would be \$3,000. Council President Glenn Guise asked Louis Simon, secretary of the state commission, whether the commission wished council to pay \$3,000 to the state commission or to put up the stand itself. Simon replied that the hope was to get the stand up and, if council would do it, the commission would be more than pleased. Simon told Borough Engineer LeRoy Winebrenner that the stand should be 30 feet long by 20 wide. Winebrenner asked if 16 feet wide would be sufficient. Simon agreed. Council then directed Winebrenner to obtain two 30-foot by eight-foot trailers and place them side by side to form the bed of the platform and to put a railing around the top and decorate the trailers "so no one can tell they are trailers." It was estimated that the entire cost of the project including bunting will be less than \$300.

A letter was read from the ex-

AUTHORS OF CONSTITUTION ARE LAUDED

The men who wrote the Constitution of the United States "were the most unusual group of men ever assembled," Judge Chauncey Depuy of Franklin County told a joint meeting of the local service clubs Monday evening in the new Senior High School cafeteria.

Speaking at a "Law Day-USA" program sponsored by the Adams County Bar Association, Judge Depuy said that "it is incredible that a group of men writing a constitution for 13 small former colonies, with an agricultural economy, all along the eastern seacoast, could produce a document that, with only a relatively few changes, serves equally well the huge industrialized nation of today."

NOT SPECIFIC

One of the reasons for the success of the federal constitution, he declared, is that it "does not spell out exactly what each division of government is to do. For example it gives Congress the right to declare war and that suffices to cover all of the things necessary in time of war. It is a document that believes in the

REJECTS BIDS FOR SEWER

The New Oxford borough council Monday night rejected all four bids for construction of the sewer out-fall line because they included the cost of excavation through possible rock, and voted to re-advertise for bids on the basis of the original specifications which excluded the rock factor. New bids will be opened May 20.

The meeting was held jointly with the municipal authority, and resulted in the acceptance of a bid from Johns Mansville for the contract for pipe for the system at \$1.79 a lineal foot.

At the council meeting which followed the joint meeting, members approved \$697.70 in bills for the borough and \$2,309.46 for the water system. Council also approved \$296.12 in tax exonerations for Maggie Millar, collector.

H. S. Griffin, council president, presided at the meetings which were attended by four from the municipal authority and five councilmen and Mayor Guy Staub.

Greenmount Fire Carnival Dates Set

The Greenmount Fire Company at a meeting Monday evening set August 2 and 3 as the dates for the company's annual carnival. President Edgar McDonnell presided at the meeting.

It was announced that the fire company with Fred Green will be in charge of the operation and improvements at the Natural Dam recreation park this year. The season there will open May 15, weather permitting.

COUPLE LICENSED

A marriage license was issued at the courthouse Monday to Richard E. A. Adams, son of Mr. and Mrs. Robert Henry Adams, Hanover R. 4, and Nadine Marine Coffman, daughter of Mr. and Mrs. Theron LeRoy Cauffman, Hanover R. 4.

Fruitgrowers To Meet On Thursday

The Fruitgrowers Association of Adams County will meet Thursday evening at 8 o'clock in the Biglerville High School auditorium. Secretary Richard Slaybaugh has announced.

Dean Asquith will show slides and report on "Some of the Things I Saw in Argentina." John Pepper and Carlton Taylor, Pennsylvania State University specialists, will review the insect-disease control program. Carl Bittner, extension pomologist, will discuss chemical thinning. Lloyd Benner will report on point-of-sale promotional kits ordered from the National Peach Council. The kits contain posters and banners to help boost peach sales at roadside markets, pack-houses and retail stores.

A general discussion will be held on the Apple Blossom Sunday program. Measured Soil Foods Inc. will provide refreshments following the meeting.

NOMINATIONS MADE MONDAY BY LEGION POST

Kenneth Selby, present first vice commander of the Albert J. Lentz post of the American Legion, was nominated for commander at the meeting of the post Monday evening in the American Legion home, Baltimore St.

The election will take place at the June meeting and nominations, following the bylaws of the organization, will remain open until that meeting.

Nominated for first vice commander were Robert W. Fox and S. Charles Smith; second vice commander, Dr. Frederick Tillberg; chaplain, Richard L. Fox; historian, Paul L. Spangler; finance officer, Richard Finkboner; sergeant-at-arms, Glenn Minter and Howard Hartzell; trustee, Donald C. MacPhail.

TIMMINS DECLINES

William T. Timmins Jr., who has served as adjutant of the post for the last ten years, was nominated for re-election but declined. As a result no nomination was made for that position.

Richard Fox, Glenn Minter and Dorsey Rebert were named as a committee by Commander Dale Bowling to select eight nominees for delegate and eight for alternate delegates to be presented for approval of the post at its June meeting. The delegates and alternates are for the state American Legion convention to be held in Pittsburgh this summer.

Claude Boycott, of the special committee named to study the dues structure of the post to meet increases in the state and national dues, said that the committee expects to present its final report in June.

Jaycees Plan Many Events For Closing Of Campaign

The Gettysburg Junior Chamber of Commerce's "Campaign Gettysburg," the program designed to restore the Civil War image to Gettysburg, will come to a close next month with an array of spectacular and colorful events, it was announced by Donald Becker, local Jaycee chairman, at a luncheon at the Hotel Gettysburg Monday noon.

Becker said that 70 of the 110 merchants who enrolled in the "Campaign" restored the fronts of their buildings to as near a Civil War pattern as possible, thus presenting an attractive picture in downtown Gettysburg. He explained that the original plan to close the program last year had been changed to this year because of the centennial observance of the Battle of Gettysburg.

"The merchants who joined in this program spent thousands of dollars to restore the Civil War image to Gettysburg," Becker said. The Saturday Evening Post footed approximately 95 per cent of the rest of the bill and to this organization we owe a great deal for what we have accomplished in Gettysburg. The Post will play a great role in our wrap-up program next month.

BREAKFAST THURSDAY

"William Harbaugh, of Biglerville, has been named coordinator. Our program to close the campaign will extend from June 13 to June 22. Details of it will be explained at a breakfast at the Varsity Diner Thursday morning at 8 o'clock for those who participated in Campaign Gettysburg."

There will be a dinner for par-

FIND HERRING GUILTY; BAKER TRIAL ENDING

George Francis Herring, Fairfield, was found guilty by an Adams County jury Monday afternoon on a charge of driving while under the influence of intoxicants. The verdict was handed by the foreman, Mrs. Marie Ditzler, York Springs R. 2, at 4:35 o'clock.

Trial was begun Monday afternoon of the charge of violation of liquor laws against Horace Baker, East Berlin. Pennsylvania Liquor Control Board Agent John H. Cook testified Baker served him a bottle of beer at the East Berlin Fire Co. This morning Baker testified that he was not present at the time the alleged sale of beer took place. His wife and a number of other persons testified to the presence of Mr. and Mrs. Baker elsewhere at the time.

With the arguments in the Baker case ending about 11 o'clock, the court dismissed the jury until after lunch when the charge by the court will be given and the jury will retire to consider its verdict.

Senate OK's "Blue And Gray" Measure

The Pennsylvania Senate Monday afternoon unanimously approved the designation of new Route 15 as "The Blue and Gray Highway." The bill introduced by Assemblyman Harry D. Ridinger of Adams County previously had been approved by the House. The bill now goes to Governor Scranton for his signature. The bill provides for the state Department of Highways to place signs designating the highway as "Blue and Gray" along the route.

UNITED FUND NEW NAME OF CHEST GROUP

At a meeting of the Gettysburg Community Chest members Monday evening at the YWCA building, the organization's name was changed to the United Fund of Gettysburg and an invitation was issued to charitable organizations soliciting funds in this area to join.

Henry T. Bream, new president of the organization and last year's fund campaign chairman, presented recommendations of the executive committee urging the change of name.

The executive group also recommended an "open door policy" to all charitable organizations serving needs and soliciting funds here under the general headings of "health, welfare and character building." Invitations to such organizations to submit requests for inclusion in the United Fund campaign this fall will be forthcoming from the United Fund.

EXPLAINS REASONS

Action changing the name and inviting other groups to enter came on unanimous votes and Attorney S. M. Raffensperger, a member of the board of directors and special gifts chairman last fall, was directed to handle the legal work involved in the name change.

The "reasons for these 'necessary changes' were presented to the members this way by President Bream:

"The Community Chest has been an organization of long standing in Gettysburg. It has served the needs of its participating agencies and the people of this community. However, changing times make changing needs and any organization charged with the responsibility of meeting these needs must remain flexible, if the job is to be done successfully. Those of us who have served in this organization look at this change as a necessity and with a hope and prayer that the people of Gettysburg will come forth and support the United Fund, its participating agencies and the needs of the community. Those of us who have been charged with the responsibility of the campaign and administering to the year-round operation can only do the job if the citizens of this community will share the responsibility by supporting their United Fund."

Heavy Coverage On News Conference

NEW YORK (AP)—President Kennedy's news conference in Washington at 3 p.m. EST Wednesday will be aired live by the four major radio networks. The Mutual Broadcasting System also will rebroadcast the conference at 9:35 p.m. EST.

OAS May Be Called Upon To Settle Fuss Between Haiti, Dominican Nation

WASHINGTON (AP)—The Haitian dispute marked time today on two diplomatic fronts amid rising expectations that no decisive political or military move will come soon to unseat President Francois Duvalier.

Roger Seydoux of France, president of the U.N. Security Council, awaited word from council members before deciding how to respond to Haiti's call Monday for a session "without delay" on the Dominican Republic's "threats of aggression."

Gonzalo Facio of Costa Rica, Organization of American States chairman, predicted the U.N. group would refer the Haitian complaint back to the OAS, which debated the issue for two hours Monday. The only OAS action was an appeal to both sides "not to resort to force."

NEW COMPLAINTS

Facio did not say when the OAS would meet again. The Dominican ambassador was reported returning to Washington today with new complaints for the OAS, the old ones having been disposed of. The chairman of the OAS fact-finding group on the dispute was

WILL SURFACE S. WASHINGTON ST.; BUY NEW POLICE AUTO

Gettysburg will amesite S. Washington St. as far as the south side of the entrance to the Warner Hospital, according to a report at Monday evening's meeting of borough council in the engine house.

Previously council had authorized placing of amesite on S. Washington St. from W. Middle to Breckenridge St. Monday evening Highways Chairman Robert McCoy reported to the borough that with the state highway aid fund the town now has sufficient money on hand to complete the amesiting to the hospital entrance. Council then gave its approval for the extension of the work.

ORDAIN 2 STREETS

Two new streets were ordained by council. One running south from Barlow St. to Coster Ave., east of and paralleling N. Stratton St., is to be called "Pine St." according to the ordinance adopted Monday.

The other street runs east from the southern terminus of Pine St. to Fifth St. and is to be known as "Victor St." according to the ordinance Victor Re, developer for the area along the new streets, said this morning he planned to meet with council officials to suggest that the names given be changed to "Meade" and "Ewell" Sts.

NEW POLICE CAR

Council accepted the bid of Hunt Ave. service station to provide a new Nash police car for \$700 to replace the present police auto. The only bid received, the offer listed the price of the vehicle at \$2,705.45 and provides a trade-in allowance of \$1,915.45. The offer also provided for transfer of the siren, lights and screen between the front and rear seats from the present car to the new vehicle. Some councilmen questioned accepting the bid when only one was offered, but others said several local dealers had been contacted by phone when it was found that only one bid could be expected and "they reported they were not interested."

Authorization was given for the Highways Committee to ask bids for stone and tar for use in borough street work.

The Highways Committee was authorized to purchase an eight-foot spreader for the rear of one of the town's dump trucks. The new spreader will replace a 20-year-old 6½-foot-spreader which was reported as "badly beat up." The cost will be between \$300 and \$400, according to the estimate.

FRANKLIN TWP. SCHOOL BOARD BOOSTS TAXES

The Franklin Twp. board of school directors at its May meeting Monday evening gave tentative approval to a \$321,750 budget for 1963-64 and voted tax increases to meet it. The session was held at the Franklin Twp. School building at Cashtown.

The real estate millage was set at 60 mills, an increase of five mills and the occupation rate was boosted from 10 per cent to 20 per cent. The one per cent real estate transfer tax and the five per cent amusement tax were continued as before.

A board statement noted that the township's costs at the high school level have increased 59 per cent in three years while there was an increase of 2½ per cent in the number of secondary pupils from the township.

TO INSPECT BUILDING

In connection with the millage boost, the board said that the reassessment of real estate in the township has not been completed and a higher millage is required because of the comparatively low real estate assessed valuations there.

The township's bill to the jointure next year is estimated at \$144,300 while debt service which is rentals to building authorities for new buildings, is \$46,550. Transportation costs are estimated at \$29,075 and instructional costs at \$75,505.

The board voted to retain Bupp's dairy of Hanover as the milk supplier for the cafeteria.

Pre-final inspection of the interior of the new building will be held next Monday afternoon.

TO REGISTER WEDNESDAY

The board authorized the elementary principal, Hobart E. Benchoff, to provide evening registration hours on Wednesday from 6 to 8 p.m. for parents who cannot be present during the day.

TIME MARKS ANNIVERSARY

NEW YORK (AP) — Famous people from all walks of life—including about 300 whose faces have appeared on its cover—helped Time magazine celebrate its 40th birthday Monday night at a party attended by 2,000 people.

"I've got to say," said society columnist Elsa Maxwell, "I've had a great number of parties which were bigger, but I must confess, not with the most newsworthy names."

However newsworthy, Sen. Edward M. Kennedy, the President's brother; columnist Hedda Hopper and actress Ginger Rogers were not recognized immediately and had trouble getting in.

Gina Lollobrigida didn't recognize the former Margaret Truman (Mrs. Clifton Daniel), who had to introduce herself.

Former heavyweight champion Jack Dempsey, easing through the crush of persons jamming four reception rooms in the Waldorf Astoria Hotel, commented: "This is the toughest fight I've had in a long time."

It took about two hours for actress Helen Hayes, comedian Bob Hope, Life magazine publisher C. D. Jackson and former U.N. Ambassador Henry Cabot Lodge to call out the names of noted guests.

"I've never seen so many people who look familiar that I don't know," said one unidentified woman, summing up the guest list which read like a "Who's Who."

Especially honored at the dinner party were the men and women whose faces have appeared on the covers of the Henry R. Luce publication during the last four decades.

Raymond E. Menges and Russell Potter testified they stopped Recard's car on Carlisle St. when they saw it weaving across the center of the highway. They testified that Recard staggered when he tried to walk and that there was a strong odor of alcohol about him. Menges testified that they took Recard to the Warner Hospital where Dr. Gerald Doo examined him. Dr. Doo, Menges said, is ill and a patient at the hospital and unable to testify in the case. Recard had no attorney and conducted his own questioning of the officers.

District Attorney Daniel E. Teeter reported that Earl Ackerman, McSherrytown, has announced plans to enter a plea of nolo contendere to counts of open lewdness and indecent exposure and innocent to a charge of assault with intent to ravish.

It was indicated that the pleas will be accepted and the assault with intent to ravish charge will be "not pressed."

TRIAL LIST DWINDLES

Teeter also reported that Michael George Dombroski, Bellevue, charged with driving during suspension, is planning to enter a plea of nolo contendere.

He also indicated that, with Frank Benningfield, Baltimore, entering a claim of lack of jurisdiction that will have to be settled before he can be tried on charges of conspiracy to cheat and defraud and forgery, that case will be continued to August.

As a result only one more criminal trial is scheduled during the current term, unless the intentions of those who have signified they plan to enter guilty or nolo contendere pleas change today.

LIST TWO JURIES

Jurors hearing the Recard case include Clyde Allison, Arendtsville; Herbert L. Blye, Gettysburg R. 5; Paul Brandt, York Springs R. 1; Paul A. Brodbeck, East Berlin; Garnet Coble, Aspers R. D.; Mrs. Marie Ditzler, York Springs R. 2; Harry Dunlop, Biglerville R. 1; Sarah E. Fox, Gettysburg R. 1; Guy Gordon, Fairfield R. 2; J. V. Hawbecker, Biglerville; Mrs. Eleanor Hays, 784 Fairview Ave., and Florence E. Klunk, New Oxford.

The jury for the Baker case includes John W. Dutera, Gettysburg R. 4; Gervaise H. Eck, Fairfield; Cyrus M. Feaser, Hanover R. D.; Alvin Grotz, Littlestown; Mrs. Elsie Keller, Gettysburg R. 2; Mrs. Vesta Lingg, New Oxford; Mrs. Fannie Mehling, Hanover R. 5; David Sanders, Fairfield R. 2; John L. Schlaine, New Oxford R. 1; Roscoe Shindler-decker, Gettysburg R. 2; Mrs. Kathryn Tackett, 11 E. Middle St., and John W. Woods, Gettysburg R. 2.

MAN DIES ON ROUGH FLIGHT

EDMONTON, Alta. (AP)—Violent weather over the Rocky Mountains dropped a Trans Canada Airlines plane, with 69 persons aboard hundreds of feet Monday, bouncing travelers out of their seats and sending luggage flying.

A 77-year-old man died and 25 persons were injured.

A warning of turbulence at 21,000 feet came too late for many to fasten their safety belts.

The four-engine turboprop plane from Vancouver hit violent air currents in rain showers about 25 minutes before landing at Edmonton. The plane did not appear to be damaged, but it was grounded for a check.

L. M. Schmidt, a retired storekeeper of Cudworth, Sask., was dead when the plane arrived in Edmonton. An autopsy was performed but the result was not announced.

"No, we'll stay here," Gregory said. The officer said such action violated city law and also a state court injunction. He turned and said: "Dick Gregory says they will not disperse. Call the wagon."

NO BAIL

The Rev. Wyatt Tee Walker, one of King's top lieutenants, was asked if there were any plans to post bond for Gregory.

"No, not at this time," Walker answered. "When I talked with him, he said he planned to remain in jail for the duration."

Gregory had sought unsuccessfully to be arrested recently in voter registration demonstrations at Greenwood, Miss.

As the group led by Gregory was taken off, wave after wave of other groups left the church on the edge of the business district. Each marcher carried placards decrying segregation. They sang freedom songs as they walked two by two.

The groups were stopped by police officers, arrested, placed in school buses and hauled to jail. The operation lasted about two hours.

COUNCIL NAMES

Executive committee of the county centennial commission which is seeking \$5,000. According to a letter the Adams County commissioners have agreed to meet \$1,200 of that cost.

Councilman Mahlon P. Hartzell Sr. read an article from the borough code which states that boroughs may not spend more than \$750 in any one year for observances such as centennials, Memorial Day, etc. Council voted \$60 to the committee.

REST ROOM FACILITIES

Mrs. Rebecca Schwenk, chairman of the health committee, reported on a number of meetings with state health authorities and centennial commission officials concerning the need for additional rest room facilities in Gettysburg in connection with the centennial. She said the centennial commission is planning portable rest room facilities on the battlefield where the various activities will take place. In addition school authorities have been asked to make available Lincoln and Meade Schools and the Junior High School buildings for rest room facilities and "the best information I can receive is that it will not be necessary to bring any portable rest rooms into Gettysburg borough itself. They feel that the problem will be adequately handled," she said.

Gets Prison Term For Threat To JFK

SPARTANBURG, S.C. (AP)—A former serviceman who threatened the life of President Kennedy was sentenced to a year in prison Monday.

Virdell Willingham, 33, of Winnsboro, S.C., pleaded guilty to a charge of threatening the President in the last of three letters he sent to the White House asking that he be reinstated in the armed forces.

Willingham, who has served in the Navy, Army, Marines and Air Force, wrote the President in September 1962 that "I am going to see you—through the scope of a high-powered rifle" unless his letter was answered.

The National League has two are Maury Wills of the Dodgers and Dick Schofield of the Pirates.

STATE TAKES HEALTH STEPS ON CENTENNIAL

The Pennsylvania Department of Health has announced plans for the protection of the health of residents of Adams County and surrounding areas as well as visitors to the area during the coming centennial celebration.

The present staff of sanitarians in Adams County will be augmented by the addition of four sanitarians to conduct a complete inspection of all food and drink outlets in the four-county area of Adams, Cumberland, York and Franklin Counties.

In addition to restaurants, taverns, luncheonettes, etc., motels, tourist homes and service stations will be inspected to determine if their facilities relative to drinking water, bathing and toilets, available to the public, are maintained in a sanitary manner.

MUST HAVE LICENSE

The Department of Health emphasizes that no person, partnership, association or corporation is permitted to prepare or serve food or drink to the public without first obtaining a license to operate such eating or drinking place after having complied with the rules and regulations pertaining to Legislative Act No. 369 which sets forth requirements for the sanitary preparation, storage, refrigeration and serving of food or drink for public consumption. All ice used in food preparation or storage must be from an approved source and handled in a sanitary manner. Requirements for properly sanitizing dishes and multi-use utensils must be met; hot and cold water under pressure, in approved structures, with approved sewage and refuse disposal facilities, is a further requirement.

Anyone desiring to operate an eating or drinking place is urged to make immediate contact with the county sanitarian, who is available at 103 W. Middle St., between 8:30 and 9:30 a.m., Monday through Friday, or at the county health centers in Chambersburg, Carlisle or York for Franklin, Cumberland or York Counties.

To Present Musical In Chambersburg

The Chambersburg Community Theater will present the Broadway musical hit "Bye, Bye, Birdie" Thursday, Friday and Saturday evenings in the J. Frank Faust School auditorium. Curtain time is 8:15 o'clock.

The cast is comprised of Edgar Dille as "Conrad Birdie"; Mrs. Ronald Beachley as "Rose"; Harry Criswell as "Albert"; Miss Winnie Ross as "Mrs. McAfee"; Bernie Resneck as "Mr. McAfee"; Miss Nancy Rhodes as "Kim" and Glenn Perry as "Randolph." Other members of the cast are Miss Bonnie Scott, John Atella, Miss Jeanne Edwards and Mrs. Gladys Newman. Richard Angle is the director and Philip Helsel is producer. W. Goodwin Clarke is musical director and conductor of the 14-piece orchestra.

Tickets for the performances may be obtained at the Galen Gates & Son store in Shippensburg, or by telephoning CO 3-3900.

JAILED AS DISORDERLY
Herbert L. Frock, 41, 29½ S. Queen St., Littlestown, was placed in the county jail Monday night charged with disorderly conduct before a Littlestown justice of the peace.

PA. DEMOCRATS STAGE DINNER AT HARRISBURG

HARRISBURG (AP) — State Democrats patted themselves on the back here Monday night for their victories in the 1962 election, but were reminded by their national leader that the biggest political reward — the governorship — had escaped them.

The 2,500 party faithful who attended the \$50-a-plate fund raising dinner honoring the party's victorious candidates heard a tape recorded message from President Kennedy.

"I do not need to remind you that the Pennsylvania election last year was not a happy one," Kennedy said.

LAWRENCE THERE

He was referring to William W. Scranton's defeat of Democrat Richardson Dilworth to become this state's first Republican governor in eight years.

Kennedy in 1960 had carried Pennsylvania in the presidential race. Possibly with an eye toward 1964, the president added:

"I look forward to seeing you and thousands of other Pennsylvanians in the months ahead."

Former Gov. David L. Lawrence was present at the dinner. He hurled charges of "power politics" and hypocrisy at the Scranton administration.

"I submit that the actions of the present Republican administration have been 'power politics' at the extreme played with the discipline and the determination that is both astute and ruthless," said Lawrence, now chairman of the President's Committee on Equal Opportunities in Housing.

Lawrence pointed to the Scranton cabinet to support his charges. He said:

"We have a cabinet composed of the former Republican state chairman (Commonwealth Secretary George I. Bloom); . . . his personal political campaign manager (Atty. Gen. Walter E. Alesandrini); the former research director of the Republican State Committee (budget director Martin E. Brackbill); . . . and the former Republican chairman of Centre County (Mines Secretary H. Beecher Charnbury)."

The featured speaker at the affair was U.S. Eugene J. McCarthy, D-Minn., who said "disagreement over policies or programs, debate and opposition are necessary."

However, he said, opposition "for the sake of opposition" can not be tolerated.

4,500 TICKETS SOLD

"Criticism and disagreement are a fundamental part of the American political system," McCarthy said. However, he added quickly "when criticism is made it should be related to seriousness of the decision and the attendant difficulties. It should be responsible criticism—not blind opposition."

McCarthy was introduced by U.S. Sen. Joseph S. Clark, D-Pa., who has been calling for reform within the state party.

"I want to help you reshape and reform the Democratic party in the image of our President," Clark said.

The Democratic State Committee said about 4,500 tickets were sold for the dinner.

BURY MRS. BIXLER

Funeral services for Mrs. Mabel E. (Schmidt) Bixler, 77, widow of Blaine E. Bixler, Littlestown R. 2, formerly of White Hall, who had been residing with her son and daughter-in-law, Mr. and Mrs. Glenn E. Bixler, Hanover, and who died on Saturday in the Hanover Hospital, were conducted this morning at 10 o'clock from Little's Funeral Home, Littlestown. The Rev. Mark A. Heiney, pastor of St. Luke's Lutheran Church, near White Hall, officiated. Interment was in Mt. Carmel Cemetery, Littlestown. Pallbearers were James Herring, Roy Bittle, Edward Miller, Henry Noel, Cletus Reck and Raymond Riffe.

Twenty senior Girl Scouts received their diplomas in a graduation ceremony held at the Dutch Cupboard Monday night. A curved bar award was presented to Bonnie Watson of Troop 758.

Miss Grace Myers, neighborhood chairman, served as mistress of ceremonies after dinner. She introduced Ana Maria Silva, a special guest. Miss Silva is a Girl Scout in her home in Guatemala. Miss Judith Porter, York, Apple Valley District advisor, addressed the group and gave a closing prayer.

Mrs. Hardy Nichols, former Girl Scout secretary for Adams County, conducted the graduation ceremony and presented the diplomas to the Scouts in Troop 758. The leaders for the troop are Mrs. James Allison and Mrs. Kenneth Hull. Troop 789's leader is Miss Grace Myers and Troop 761's leader is Mrs. Ralph Bream. The committee members present were Mrs. Allen A. Weikert and Mrs. Kenneth Dayhoff.

TO REPAIR BRIDGE

Council authorized bids for concrete to be used in connection with renovation of the bridge across the Tiber on Water St. at Schwartz Washette. Borough Engineer LeRoy Winebrenner reported that the present bridge badly needs repair and that only one-way traffic is allowed across it.

Approval was given for purchase of 125 gallons of yellow paint at a cost of \$4.20 a gallon for crosswalks, \$4.20 a gallon for white used for traffic and parking lines and \$3.25 for the yellow used for curbing painting.

TO NOTIFY OWNERS

The borough secretary was authorized to send 10-day notices to property owners along S. Washington St. who must put in new curbs or sidewalks in connection with the proposed amending of S. Washington St. from curb to curb.

Approval was given for a committee of Travel Council headed by George Grawe to place temporary banners across the streets welcoming people here for the centennial.

Councilman Philip M. Jones reported the Metropolitan Edison Co. is making a survey of street lighting needs on Baltimore St. from the post office to Steinwehr Ave.

Councilwoman Rebecca Schwenk reported that St. Mary's, Pa., has completed a \$150,000 swimming pool built by public subscription and then turned over to the borough for operation by the Recreation Board on the basis of family and individual memberships.

Use of the pool, she said, is confined to residents of St. Mary's and of the surrounding township, a total population of 14,000.

She urged the council to support two legislative measures proposed by the state association of boroughs. One would amend the present "pay scale" legislation of the state to permit each borough to set its own hours and wages for local borough work.

The other would amend the borough code to increase the amount of taxes boroughs can levy on real estate from 20 to 25 mills.

REPORTS ON TIBER

Councilman Richard Smith reported that by the end of the month concreting of the base of the Tiber will be completed from "The REA building to Washington St." He said the work will then continue west "as rapidly as possible."

Smith also asked, "Do we have an ordinance to prohibit people from throwing things in the Tiber?" Borough Building Inspector Charles E. Kuhn asked about the ordinance, noting that "according to the plans given me for a new service station it looks like they plan to dump the wash water into the Tiber." A check showed there is an ordinance prohibiting putting things in the Tiber and Mayor William G. Weaver was asked to notify offending property owners and others accordingly.

Council directed that an ordinance be drawn and submitted at the June meeting which will ban all parking from the east side of Baltimore St. from its intersection with Steinwehr Ave. south to the borough line at Evergreen Cemetery.

PRIVATE PROBLEM

Council was asked what it intends to do about the situation in regard to Winebrenner's Run at the Mrs. Sarah Gideon property. The stream at that point was covered over many years ago. Part of that covering has fallen and the stream in recent heavy rains has flooded an adjoining basement. Council held that it will do nothing since the stream was cov-

Jaycees Will Aid Library Campaign

(Continued From Page 1)

The Upper Adams Jaycee Club met Monday evening in the Biglerville High School with Dr. W. E. Tilberg and Atty. H. Thomas Pyle of the Adams County Free Library Development Fund campaign to discuss solicitation of the upper county by the Jaycees. Jaycee President Thomas Zeigler announced that solicitors will meet this evening to discuss details of the drive which they will open immediately after the meeting.

Zeigler and Charles Kingston reported on the state convention, and thanked members for their cooperation at Apple Blossom Sunday when the club handled the parking lot at the fairgrounds. They also reported a successful car wash last weekend.

REPORT COLLISION

Charles Mallory, 143 Springs Ave., notified borough police Monday afternoon at 12:30 o'clock that a car had struck his parked vehicle and failed to stop. Police, when they investigated, according to their report, found the other car parked immediately in front of Mallory's auto. The driver, Ruth Eckert, 215 Springs Ave., told police she had not noticed any damage and thus walked away after parking her car.

FIREMEN CALLED

Bonneauville firemen were called at 8:20 Monday night to extinguish a brush fire along a fence row southeast of Bonneauville.

Fountaindale firemen were called at 10:59 Monday morning to a brush fire on Jack's Mountain.

erred by a private individual and now it is the duty of the successor to that owner to take care of the problem.

CAMERA FOR SALE

The question was raised whether the July council meeting which will fall on July 1 should be changed to another date because of the centennial. No action was taken. Councilman John Thrush suggested that, if the council meeting is held on July 1, in observance of the centennial the minutes of the July meeting of a century ago be read.

Authority was given for the property committee to sell a camera and tripod owned by the borough for the best price it can receive. The camera and tripod were used at one time by borough police for photographing prisoners. Later it was turned over to the county for similar use at the jail. Since a new camera has been purchased for use at the jail the old one was returned to the borough which now has no use for it.

TO SURVEY OPINION

Councilmen asked the status of \$5,400 in digging permits granted the Gettysburg Municipal Authority in 1961 to place the lines along Spring Ave. for extension of water and sewer service to Woodcrest development. If the amount has not been paid, either the mayor or borough solicitor should see that it is paid, councilmen said.

A representative of the Junior Chamber of Commerce reported on the survey to be made by the Jaycees within the next weeks concerning the opinion of residents on various matters ranging from swimming pool needs to water supply and the general appearance of the community.

Councilmen hailed the proposed survey as an "excellent project" and expressed the hope that those receiving the questionnaire fill it out "honestly and return it, since it will help greatly to know what the people of the town want." The "random sample" type questionnaire will go to 400 individuals throughout the borough.

the posts in Adams, York and Franklin counties, stands third in the state in membership. The Albert J. Lentz post, he said, with 736 members, is only 23 short of its goal of 759, with 60 days to go before the close of the membership campaign.

Carl McCanns reported progress for the baseball committee.

Richard L. Fox announced the Hanover American Legion Drum and Bugle Corps has been secured for the Memorial Day parade. Adjutant Timmins reported that the state office of the American Legion has promised one of the state officers will be here Memorial Day to participate in the local observance.

TO DECORATE GRAVES

The Keystone Boys Camp committee, Wilmer Dracha, John Maloney and Adjutant Timmins, reported that Miss N. Louise Ramer, high school guidance teacher has been asked to suggest names for boys to attend the Keystone Boys Camp this summer under sponsorship of the post.

Dorsey Rebert reported the committee which decorates the graves of veterans for Memorial Day has completed its plans and as in the past all veterans' graves will be decorated with flags by May 30.

ticipants on June 13 at which framed sketches of the new fronts of their stores will be presented," Becker added.

Confederate money which will be available at the stores of the participating merchants will be used later to buy merchandise at a unique auction. The auction may be held at a centennial ball in the evening. There will be a drummer boy contest to which Blue and Gray skirmish units throughout the east and south have been invited to send contestants. An extensive centennial sales day will be conducted for one week during June by all the participating merchants.

TO AWARD PRIZES

It will be arranged to award prizes during this particular week, the main prize of which will be an all expense paid trip to a resort area for two persons. There will be contests and prizes for the best window displays, the most attractive clerks in Civil War costumes, are displays, prizing of the beards, a talent show on the Civil War theme and other attractions, Becker announced.

One of the features of the entire "wrap-up" program will be that it will be widely advertised within a radius of 30 to 40 miles of Gettysburg. Becker said that the main intention of the Jaycees to exploit this wrap-up program to attract thousands of visitors and customers to the retail outlets of Gettysburg during this "Campaign Gettysburg" closing.

The borough will be asked to put up its red, white and blue decorations at the opening of the campaign and keep them up until after the closing event of the centennial observance of the Battle of Gettysburg on July 4. Town folks will be asked to fly the American flag throughout this period and to clean up and paint up for the summer occasion.

Jack Pontius, representing The Saturday Evening Post, said that his organization was glad to have shared in this campaign to restore the image of the Civil War to Gettysburg and said that he felt sure that the closing program will be a real success. He expressed his thanks to those who participated in any way in the campaign.

TED WEEMS, BANDLEADER, DIES MONDAY

By PAUL RECER

TULSA, Okla. (AP) — Ted Weems, who started his musical career before he was tall enough to see music on a stand and became one of the nation's top bandleaders, died Monday night of a lung ailment.

"He was a great man, so loving and vital," said Marilyn Maxwell, one of the stars who got her start with Weems. "It is a big loss and he will be missed by many."

Perry Como, another former Weems singer, termed him "a true gentleman." Other stars who got their start with Weems included bandleader Jan Garber and Snooky Lanson.

They had kept in close touch since Weems entered a hospital March 14.

SERVICES IN BETHESDA

His wife, Eleanor, stayed in Tulsa during his last illness. Their 38th wedding anniversary was Sunday, a funeral home spokesman said.

Other survivors include his mother, Victoria Weems of Hamilton, Ohio; a son, Ted Jr., Dallas, Tex., and a brother, Robert, Cincinnati, Ohio.

Weems' son said funeral services would be in Bethesda, Md. Weems, 62, had operated a theatrical agency in recent years with his son in Dallas, which also was the band's headquarters. He had earlier bouts with emphysema, a lung ailment which restricts the amount of oxygen available to the blood, and was hospitalized in Dallas last December.

FOREIGNERS HERE
Thirty-three members of the Belgium War College visited Gettysburg Sunday. The uniformed group toured the battlefield and visited the Visitor Center after which they lunched at the Hotel Gettysburg. Later they left for Washington from where they flew home to Belgium. They spent two weeks in the States.

FIFTY YEARS AGO

Last in Lincoln's Party: The funeral of General Henry Clay Cochrane, who died suddenly last Sunday afternoon, took place at Chester Wednesday. General Cochrane was the last survivor of the thirteen men who accompanied Abraham Lincoln to Gettysburg when the National Cemetery was dedicated.

Sanitarium Being Erected:

Work has been started on the new three-story sanitarium of Dr. C. E. Goldsborough on a seven-acre tract of land which he recently purchased from Charles Mackley of Harrisburg. The sanitarium or hospital will be located on an elevation on the tract which is situated on the road leading from Hunterstown to Goldens Station and near the former place. The building is being erected by Contractor G. H. Roth of New Oxford and is of cement blocks. It will present a very attractive appearance when completed. It is to be 40 x 38 and three stories in height, equipped with all conveniences and adapted perfectly to the uses of a sanitarium. Dr. Goldsborough intends to have the treatment of patients suffering from nervous diseases as the principal end of the institution and its equipment will be with particular regard to people suffering from various forms of neurasthenia. A physician will always be available at the new institution and Dr. Goldsborough's two daughters, Miss Virginia Goldsborough and Miss Lenore Goldsborough, both trained nurses and graduates of the University Hospital, Philadelphia, will have general charge of the sanitarium.

Must Tell: A bill passed by the legislature Thursday provides \$100 to \$300 fine for any person who shall furnish a cigarette to a minor. If any minor, above the age of 16, who is seen smoking a cigarette is asked by any officer where he secured it and refuses to tell he is subject to a fine of not over \$5 or five days.**Teachers Graduate:** Graduating exercises of the Teacher Training Class of the Reformed Sunday School were held on Sunday evening when the following were presented with diplomas by Dr. T. J. Barkley: Misses Nellie Weaver, Phoebe Ogden, Eleanor Glass, Bessie Wachter, Elsie Apple, Katharine Duncan, Messrs. J. D. Schwartz, Roy P. Derr, J. A. Brosius, C. E. Ainsworth and T. J. Winebrenner. Mr. Fred Will of the Seminary was the teacher of the class.**Given Diplomas:** The graduation exercises of the Band of Hope were held in the Presbyterian church on Sunday evening. There was an address by Rev. Mr. Taylor and a talk by Mr. Miller, superintendent of the Band of Hope. Mrs. Keith presented diplomas to five graduates, Harold Mumper, John Lippy, William Weaver, Elsie Little and Carrie Biddle. Pauline Lestz gave her recitation for which she was awarded a medal at the recent entertainment in Brua Chapel.**Room For 175 In Hospital:** Arrangements have been completed for the establishment of an emergency hospital of 175 beds to care for the thousands of visitors from every State in the Union who will attend the fiftieth anniversary celebration of the Battle of Gettysburg. The hospital will be conducted by the State Department of Health and will be under the personal supervision of Commissioner Samuel G. Dixon. It will be located along the Winebrenner Lane at the southeast edge of town. There will be in addition two hospital cars in order that serious or operative cases may be transferred daily to the hospitals in nearby cities. In addition to the main hospital there

Today's Talk

WEALTH

Charles Kingsley was once asked to name the secret of his insight and power. This was his reply: "I had a friend!" Sometimes it takes a whole lifetime to convince some people that the greatest wealth in the world is to be found in the friendship and warmth of human companionship.

And it must not be forgotten that real comradeship is the fullest answer to many a man's largest success.

I sat in a most wonderful house one day. Its furnishings were exquisite — selected with great care and evidently with a thorough understanding of the many periods of furniture building. But there was a coldness otherwise about the place that didn't make it seem like a home.

Pals make a home — whether the walls are made of rare design or of the roughest timber! I always liked the story of David and Jonathan. Somehow, the fineness of that friendship has made it easy to overlook all the mistakes that David ever made. For they loved each other very much.

One who is loyal and true to some one is a pretty safe person to trust under any circumstance. Genuine friendship — to have one or a good handful of friends — is to have wealth for a certainty.

Where material wealth has had full sway in the life of an individual or nation, the ending has always been one of ruin and sadness.

But who ever heard of a constant and ripe friendship that brought anything excepting beauty and happiness? Money could never buy the minutest part of a thing so rare!

Do you want to be very wealthy? Have a friend — and be one!

Tomorrow's subject: "Fear — the Worst Partner."

Just Folks

THE GREAT SOULS

There are great souls which tower above the throng
And lead the way to glory and to fame;
They seem to rise above our petty shame,
And sense more surely what is right and wrong;
They have more patience when the day seems long,
They see more clearly truth's white torches flame,
Have finer feelings and a nobler aim
And where we break or falter they are strong.The bitterness of life disturbs them not,
But our temptations they're not lured astray;
A glimpse of God's high purpose they have caught
And willingly they serve and show the way.
Fortune and selfish pleasures drag us down,
But these great souls press on and gain the crown.

LAST NOVEL
WINS AWARDBy ANDREW MEISELS
NEW YORK (AP) — "The Reivers," a lighthearted novel of the South which was William Faulkner's final book before his death last year, was awarded the 1963 Pulitzer Prize for fiction Monday.

For the first time in more than a decade, there was no award made for a drama, a movie that prompted the resignations of two members of the Pulitzer Prize drama jury—critic and author John Mason Brown and John Gassner, critic, Yale University professor and theater historian.

"They have made a farce out of the drama award," Brown said. Gassner said withholding of the award he and Brown had recommended "put us in an awkward position."

DAILY NEWS AGAIN

Both men had recommended the award go to Edward Albee's Broadway hit "Who's Afraid of Virginia Woolf?" a caustic drama on faculty, sex and politics at a small New England university.

The top Pulitzer Prize in the newspaper category—the meritorious public service award of a gold medal—went to the Chicago Daily News for its series presenting all points of view on the controversial subject of birth control services in the public health programs in its circulation area.

It was the third Pulitzer Prize for the Daily News. The Columbia University trustees who announced the awards specifically cited staff writer Lois Wille, reporter Horton Trautman and state Capitol correspondent Henry M. Hanson.

Faulkner, who had previously won a Pulitzer Prize in 1955, died of a heart attack last July 6 at the age of 64.

AP PHOTO WINS

Established in 1917 in a bequest to Columbia University by the late Joseph Pulitzer, publisher of the old New York World, the coveted awards in journalism, letters and drama are made annually by the university trustees, upon recommendation by an advisory committee of newspaper editors. These, in turn, act on recommendations made by juries in various categories.

The journalism awards carry a prize of \$1,000 divided equally among multiple winners, except for the meritorious gold plaque award to the winning newspaper. The other awards carry prizes of \$500 each.

The Pulitzer Prize for news photography for 1963 went to Hector Rondón, 29, of La Republica in Caracas, Venezuela, for his picture of a priest aiding a dying soldier during a two-day revolt in Venezuela last June. The photo was distributed to newspapers around the world exclusively by The Associated Press.

Three reporters of the New York World-Telegram & Sun — Sylvan Fox, 35, Anthony Shannon, 33, and William Longgood, 45—won the award for local reporting under deadline pressure for their coverage of the March 1, 1962, crash of an American Airlines jetliner at Idlewild Airport in New York. The crash killed all 95 aboard.

YANKEE ACES
BACK IN SHAPE

DETROIT (AP) — It's an awesome combination—pinpoint bunting, timely power tight fielding and effective relief pitching. It's the trademark of the New York Yankees when they're healthy.

And finally the Yankees' leading crimpies, Mickey Mantle and Roger Maris, are well again.

"We'd been doing okay without them, but now my club is the healthiest it's been since the start of the season," said Manager Ralph Houk.

The Yankees blended their bunting, power, fielding and relieving into a 10-3 victory over the Detroit Tigers Monday night and returned to the top of the American League. They're tied for first place with the Kansas City Athletics and before long another Yankee runaway could be under way.

The Mick drove in three runs, two with a \$90-foot homer, and had two line singles. He lifted his batting average .59 percentage points to .324.

Revoked License

TRENTON, N.J. (AP)—Dr. Albert L. Weiner, an osteopath who was convicted of manslaughter in the death of a dozen of his patients, has asked the state Supreme Court to reinstate his license to practice.

The state Board of Medical Examiners revoked Weiner's license in 1961 after his conviction in Camden County Court.

Weiner, of Eriton, was charged with using faulty sterilization procedure for his injection and infusion equipment, spreading serum hepatitis among his patients. He was charged with the death of 15 patients and convicted in the death of 12.

His penalty was 2-4 years in prison and a \$12,000 fine. His appeal from the criminal conviction was heard by the high court two weeks ago. Weiner is out on bail pending the appeals.

HARRISBURG (AP)—Henry F. Nixon of Hershey is the new director of Agriculture Department bureau of plant industry succeeding Dr. Thomas L. Guyton, who retired May 1.

Nixon's appointment to the \$10,432 post was announced Monday by the governor's office. He has served with the Pennsylvania Farm Bureau Cooperative since 1946, most recently as manager of product services.

HARRISBURG (AP)—The Senate has expressed condolences for the deaths of industrialist Joseph N. Pew Jr. and Sheriff William F. Martz of Schuylkill County.

Resolutions of sympathy were unanimously adopted Monday.

Pew, board chairman of the Sun Oil Co. and a contributor to the Republican party, was hailed as an "industrialist, patriot, philanthropist, a good husband, father and brother; and a man of firm faith and strong convictions."

Martz was called a "leader in civic, fraternal, veteran and political life of his home community and will be sorely missed."

HARRISBURG (AP) — A group of House Republicans have proposed that the constitution be amended to ease the path for Senate confirmation of executive appointments.

Reps. Maurice H. Goldstein, Allegheny; Robert P. Johnson, Montgomery; James C. Humes, Lycoming, and George K. Haudenschild, Allegheny, submitted the proposal (H1073) Monday night.

It was aimed at the current deadlock in the Senate where Democrats have refused to supply the necessary votes to make up the two-thirds needed for confirmation of certain appointments made by Gov. Scranton.

There are 27 Republicans in the Senate, seven short of two-thirds.

Denny Sommers singled home the winning run in the 10th inning Monday night as the Springfield Gats defeated the York White Roses 5-4 and took over first place in the Class AA Eastern League.

In other action, Charleston won its third in a row, defeating Birmingham 5-3 and Reading knocked off Elmira 3-1 in a one-hitter.

While 320 chilled fans watched in Springfield, Mass., Ron Phifer singled to open the 10th inning. Al Erickson then hit into what looked like a double play, but Umpire Andy Olson ruled Phifer safe at second. Second baseman Jack Kennedy was ejected for arguing the call.

The largest crowd of the evening, 422, watched at Reading where Dave Busby gave up only one hit as the Red Sox dumped the Elmira Pioneers.

That lone hit was a home run by Jim Liggett, and thus spoiled Busby's shutout Howard Stethers was the loser.

1,000 RIOT AT
PRINCETON U.

PRINCETON, N.J. (AP) — Students at Princeton University staged a riot into the early hours today during which they stormed the grounds of Gov. Richard J. Hughes' mansion and the house of university president Robert F. Goheen.

The rioters ranged over the campus and sections of the town for three hectic and destructive hours. They damaged homes and property, including the station and train of a commuter railroad shuttle.

The number of rioters ranged up to 1,000.

Police said 14 students were arrested and charged with being disorderly persons. They were released in \$25 bail each pending appearance May 20 in Magistrate Court.

University proctors — security guards—called it the worst riot in 10 years on the campus.

The riot had its roots in a small but noisy argument Monday night in a dormitory. It spread quickly, however, among the undergraduates, who apparently were primed for hijinx after having celebrated a prank-filled annual house party weekend.

PLAN PUBLIC HEARINGS

HARRISBURG (AP) — The House and Senate education committees will hold public hearings on the Scranton administration's community college legislation.

Rep. Edwin D. Eshleman, R-Lancaster, and Sen. Paul L. Wagner, R-Schuylkill, chairman of the committees, jointly announced the plans Monday night to hold hearings May 22 and 23 in the capitol. The legislation is in Eshleman's committee.

AUXILIARY TO
HOLD OUTING

Committees for future activities of the Ladies' Auxiliary of Alpha Fire Company No. 1 were appointed at the May meeting held on Monday evening in the engine house. The following comprise the carnival committee to represent the unit in assisting the company with the annual carnival in August: Mrs. Betty Kauffman, Mrs. Esther Harner, Mrs. Doris Carpenter, Mrs. Louis Wantz, Mrs. Kathryn Hahn, Mrs. Kathryn Flickinger, Mrs. Mildred Wallick, Mrs. Bernadine Rickrode and Mrs. Marion Myers.

The annual summer family outing of the auxiliary will be held on a date and at a place to be arranged by Mrs. Esther Harner, chairman, Mrs. Kathryn Flickinger and Mrs. Doris King.

Plans were discussed for the group to attend a Betty Newton cooking demonstration at the Gettysburg Gas Company office on Monday, May 27. There will be a brief business period during the evening. This will replace the regular June meeting. All arrangements are in charge of Mrs. Louise Wantz, who will contact each member before May 24 to learn whether or not she plans to attend.

Mrs. Kauffman, president, who presided, heard reports for the cheer and fire committees from Mrs. Hahn; treasurer, Mrs. Flickinger, and secretary, Mrs. Carpenter. The trustees will meet on Thursday, June 6, 8 p.m. at the engine house. The jackpot was received by Mrs. Marie Collins. During the social hour, refreshments were served by Mrs. Collins, Mrs. Wantz and Mrs. Nancy Nester.

Bragan Has School
To Prevent Barks

MILWAUKEE (AP)—The bite of Milwaukee Braves Manager Bobby Bragan is worse than his bark.

Upset by barks that led to opponents' runs and Braves' defeats Bragan declared that any more barks called on his pitchers would result in automatic \$25 fines.

Then he announced an anti-bark school for the mound staff on Monday, an open date.

Bragan said as class opened that two fines had already been imposed and were more than \$25 and those in the future also would be higher. He declined to give the figures, saying, "it wouldn't be fair to the boys."

PACKER COACH
ALMOST QUIT
OVER SCANDAL

By JACK HAND

Associated Press Sports Writer
NEW YORK (AP)—Vince Lombardi was so shocked by the first news of Paul Hornung's football betting that he told Commissioner Pete Rozelle of the National Football League that he wanted to quit.

"I thought that I had fallen down somewhere along the line," said the coach and general manager of the champion Green Bay Packers. "Nobody bears down more than I on warning the players about gambling and questionable associations."

Lombardi had advance notice from Rozelle of the pending suspension of his star halfback.

"I was completely shocked," Lombardi said. "I had no idea he (Paul) was involved. I was very upset at the time. When I thought it through I realized that the league's action, although severe, was right."

"NOT EXCUSED"

"In Green Bay, the people were surprised. Paul was a likable fellow who liked to be the center of attraction. He wasn't satisfied just to be in a room, he wanted to dominate it. That all helped him become a better football player. The people liked him but nobody excused him for what he did. I feel sorry for the boy."

Nobody knows how the loss of Hornung will react on the Packers next season.

"I have seen some of the players who were in to sign their contracts," said Lombardi. "We did not discuss the Hornung matter. They did not bring it up."

"I don't think any one man is indispensable but I'd be lying if I didn't say the loss of Hornung will hurt us. He was and is a great football player."

GOLFER CATCHES FISH

LAKE OSWEGO, Ore. (AP)—This may sound fishy, but golfer Harry Clow caught a 13-inch trout Monday during the first round of the Oregon Open.

A nearby lake, swollen by heavy rains, overflowed onto the first fairway at the Lake Oswego Country Club. Clow, of Vancouver, Wash., grabbed the fish with his bare hands.

Bullet Gridders Elect Cocaptains For 1963; Break Long Tradition

For the first time since the early 30's, Gettysburg College will have football cocaptains when the 1963 season opens on September 14.

Seniors Phil Parson, halfback, and Mark Snyder, end, were elected unanimously by the lettermen following the annual spring drills. For over 30 years, Gettysburg coaches have appointed individual game captains.

Parsons, a native of Cherry Hill, N.J., is the son of Mrs. Kathryn Parsons. During the past two seasons he has been a consistent leader on the Bullet squad. As a sophomore he led the team in pass receiving and scoring and was runner-up in rushing. Last season he led the squad in rushing, total offense, scoring and was among the top pass receivers.

Parsons was a former all-conference griddier from Delaware Township, now known as Cherry Hill High. He is majoring in political science and plans to go into law upon graduation.

MISSED 1962 SEASON

Snyder is the son of Mr. and Mrs. Mark Snyder, Lebanon. One of the outstanding offensive and defensive ends at Gettysburg, he is a former All-Central Penn Conference end in 1959 and in the summer of 1960 played for Pennsylvania's Big 33.

Snyder was the team's number one defensive end his sophomore year and among the runner-ups in the pass receiving department. He was forced to sit out last season due to a knee injury sustained in baseball in the spring of 1962.

The Lebanon product is active in campus affairs. He is majoring in physical education and plans to go into the teaching and coaching profession upon graduation.

PUC Order Issued On Reading RR

HARRISBURG (AP) — The Reading Co. is under order of the Public Utility Commission to keep its trains at least 100 feet apart as a precaution against the recurrence of an accident in which 229 persons were injured.

The mishap occurred in Philadelphia last January when a crowded commuter train rammed the rear of another packed electric local during the Philadelphia Transportation Co. strike.

Despite careful study of the hearing testimony, the PUC said it was difficult to determine whether the crash was caused by improper functioning of the brakes, as claimed by engineer Edward Johnson, or human error.

WALT ALSTON IS SECURE AS DODGER PILOT

By JOE REICHLER
Associated Press Staff Writer
NEW YORK (AP)—Walter Alston need not worry. His job is safe. Walter O'Malley, president of the slumping Los Angeles Dodgers has no intention of firing his manager.

Breaking a long silence, O'Malley told The Associated Press today he did not blame Alston for the club's poor showing, had never considered the possibility of dropping his manager and gave what amounted to a vote of confidence to Alston for the balance of the season.

PLANS NO CHANGE

"I don't want to be put in the position of having to give Alston a vote of confidence," said O'Malley. "That's usually construed as a kiss of death, but I want to answer you as directly and honestly as I can."

"Alston is my manager and I have no intention of making a change."

"Leo Durocher? I admire him as a baseball man. I always have. That's why I hired him. . . . as a coach and that's what he'll remain. There never has been any intention and there is none now to elevate Leo to the manager's job. For that matter, I don't believe Leo entertains any thoughts of ever managing again."

LIKES ALSTON

The Dodger boss emphasized that it always has been his policy never to fire a manager in mid-season "if I can possibly help it."

"Last year, a half minute after we lost the playoffs for the National League pennant to the Giants, I sent word to Alston not to worry," said O'Malley. "I'm saying the same thing now."

"I consider Alston a good, sound manager. He is not spectacular but he gets the job done. He's quiet, he's not controversial but he is devoted to his job and he never embarrasses the front office. He is the kind of field manager a general manager likes to work with."

SACRAMENTO, Calif. (AP)—Remember Adrian Zabala?

Probably not—unless you're a longtime Giants baseball fan or a St. Louis Cardinal who lost the pennant because the left-handed Cuban from the Mexican League balked.

Baseball's current balk controversy and the possibility of a rule change recalls the night of Aug. 6, 1949, when Zabala caused another change in the balk rule.

It was the bottom of the first inning at St. Louis and the then New York Giants led 1-0. Red Schoendienst of the Cards was on base and Nippy Jones was batting.

BUSINESSMAN NOW

Zabala threw him a curve and Jones smashed a two-run homer into the bleachers—but wait! First base umpire Bill Stewart called "balk," and the home run was nullified.

St. Louis lost 3-1. The margin, Jones' erased homer. The Cardinals lost the National League pennant to Brooklyn by one game.

Jones, now a Sacramento businessman, vividly recalled his frustration:

"I hit the ball over the fence and I never heard the umpire say 'balk' at all until I was rounding second base. Then he said that pitcher balked and I had to swing over again. Zabala gave me the same pitch and I flew out to center field."

"We thought about that quite a bit, especially after we lost the pennant."

"We thought, 'Holy cow, that was quite a balk call.' It seemed like the pitcher should have been penalized, but he got the break and won the game."

BOBBY LAYNE IS RETIRING FROM GRIDIRON

NEW YORK (AP) — Old pro Bobby Layne, who holds most of football's passing records in the iron grasp that guided Detroit to three championships, has decided to pack it in.

"I've had it," the brash blond quarterback said Monday night. "I can't do it any more."

Layne, 34, spent 15 years in the National Football League, most of it with Detroit and Pittsburgh. He led Detroit to the league championships in 1952, 1953 and 1957 and finished his career with most of the passing records in the book. 187 TD PASSES

Those include passes attempted, 3,467; passes completed, 1,710; total yards gained passing, 25,083, and touchdown passes, 187.

"I've had my share of the thrills," Layne said. "Let the younger guys go out and get them now."

He made the comment in confirming an announcement in Dallas of his retirement by Pittsburgh coach and general manager Buddy Parker.

NO PLANS YET

"He's had a lot of success," Parker said. "I think it's time to call a stop."

Parker said he had received a letter from Layne announcing his retirement. Layne confirmed the report in New York, where he attended a dinner honoring sports stars and dignitaries in the fields of business, government and science.

Layne said he has no immediate plans for the future.

LITTLESTOWN DOWNS KEY IN NIGHT GAME

Littlestown High School's baseball team recorded its 10th victory in 11 starts Monday evening when it downed Francis Scott Key of Union Bridge, Md., 5-1 in a non-league game under the lights at Littlestown, the nocturnal affair attracting approximately 200 fans.

Bob Smith, Sophomore left-hander, twirled a neat five-hitter for the Thunderbolts to his season record to 4-0. He struck out 10 batters and walked but two.

Littlestown scored a run in the first inning when Jim Strevig singled with one out. He stole second and third bases. On a passed ball at the plate, Strevig raced home. Storey, Key hurler, covered home base on the play and the game was delayed about 15 minutes to remove lime from the eye of Storey which occurred on the play.

The Bolts iced the game in the fourth with two runs on a walk to Strevig, single by Terry Arbogast, stolen base and two errors.

Littlestown will play at Fairfield Thursday in a county league game.

GOLFERS TOP JUNIATA 14-4

Playing without the services of several key personnel, the Gettysburg College golf team walloped Juniata 14-4 Monday afternoon in Huntingdon.

Tom Houghton, playing the number one spot in place of George Markley, was shutout 3-0 by Mark Rappaport. Rappaport sailed over the 6,053-yard Huntingdon Country Club course with a 36-38-74, four over par, good for top medalist honors.

John Gribb got the Bullets rolling from the number two spot with a 2-1 win over Dennis Engle and from that point the remaining Bullets won by 3-0 scores.

Gettysburg is 3-6-1 on the season and is back out on the links today, playing host to Delaware.

The results:
Mark Rappaport, J (74), defeated Tom Houghton (81), 3-0; John Gribb, G (77), defeated Dennis Engle (80), 2-1; Bob Brush, G (77), defeated John Richardson (96), 3-0; Tom Boals, G (81), defeated Arlen Larsen (90), 3-0; Dick Esser, G (80), defeated Bruce Campbell (88), 3-0; Art Robarge, G (77), defeated John Walter (95), 3-0.

In 1961 the Los Angeles Angels gave up 180 home runs. Last year their pitchers allowed 118 home runs.

HARNESS RACE BILL AWAITS SIGNATURE

HARRISBURG (AP) — An administration bill to place the independent state Harness Racing Commission under the jurisdiction of the Agriculture Department is awaiting Gov. Scranton's signature.

It was passed Monday by the Senate on straight party lines, 26-19, after Democrats made one final bid to bar horsebreeder Lawrence B. Sheppard from commission membership.

Senate Republicans defeated a similar amendment last week and the same amendment was fought as the bill passed the House originally.

MAKES COMPARISON

Sheppard has been chairman of the commission since its formation three years ago.

Minority Leader Charles R. Weiner, D-Philadelphia said there is no question that Sheppard is "an eminent man," but added: "It would be a gross error not to bar horsemen from the commission."

Sen. Fred B. Rooney, D-Northampton, compared Sheppard's membership on the commission with the appointment of a distillery owner to the state Liquor Control Board.

LANE EYING TITLE BATTLE

NEW YORK (AP)—Kenny Lane stood in the wings today, an old familiar spot for him, waiting to see if he will get a shot at the lightweight title, while words flew furiously around the boxing beat.

Champion Carlos Ortiz said he had no solid offer for a Lane fight. He added he was thinking of defending against junior lightweight champion Flash Elorde in the Philippines.

Lane said he knew of at least one solid offer, that of Madison Square Garden matchmaker Teddy Brenner.

Brenner said he made the offer last winter, but Ortiz turned it down. Lane said Brenner told him it was still good.

David Gudelsky, Michigan athletic commissioner, said he knew of two offers to promote a Lane-Ortiz fight. Gudelsky also said he would pull Michigan out of the World Boxing Association if the WBA doesn't force the fight.

The WBA said it will strip Ortiz of the title if he doesn't sign to fight Lane by June 2.

Select 15 Girls For Carlisle Corps

Fifteen girls have been chosen to make up the corps for the "Little Colonel" contest being conducted by the Carlisle Civil War Centennial Committee.

One of the 15 will ultimately become the "Little Colonel" and with the other members of the corps serve as official hostess for the centennial celebration.

Chosen at a tea by a team of five judges in the banquet room of the James Wilson Hotel, they are Margaret Baker, Carole Beltzhoover, Connie Cline, Barbara Dutrey, Kathryn Gallagher, Jo Ann Getty, Doris Gibb, Patricia Hartzell, Mary Kolanowski, Sue Macdonald, Vicki Martin, Anne Shoemaker, Valerie Simmons, Susan Spangler and Joyce Vance. Two alternates were also chosen. They are Mary Fussell and Cheryllyn Pifer.

The "Little Colonel" will be chosen by popular vote through the sale of tickets to the centennial pageant "Thunder Over the Valley" which will be presented on the Carlisle Senior High School athletic field on Wednesday, Thursday and Friday nights of the commemoration week. In addition to the title, she will win an all-expense four-day trip to New York City.

Tuesday, May 7, highlights in history:

In 1915, the British liner Lusitania was sunk by a German submarine off the coast of Ireland. Of the nearly 2,000 passengers aboard about 1,200 died, including 128 Americans. The United States was neutral at that stage of World War I but Germany was at war with Britain and France. Despite strong notes sent to Germany by President Wilson, the Lusitania incident was never settled. America entered the war in April 1917.

In 1577, Queen Elizabeth I forbade prophesying in England.

In 1789, the first U.S. presidential inaugural ball was staged in New York City.

In 1963, Gen. Ulysses Grant opened the Union drive for Vicksburg during the Civil War.

Ten years ago, President Eisenhower and Canadian Prime Minister Louis St. Laurent began two days of talks in Washington on problems of joint U.S.-Canadian interests.

Five years ago, the United States and the European Atomic Energy Commission reached agreement in principle on broad-scale cooperation to promote development of atomic energy in Western Europe.

One year ago, Secretary of Agriculture Orville L. Freeman declared that Texas financier Billie Sol Estes had received no special treatment from the Department of Agriculture.

Little, Hanover, was baptized on Sunday afternoon in Redeemer's United Church of Christ by the pastor, the Rev. Glenn Finchbaugh. The baptismal sponsors were Mr. and Mrs. Ernest Noble, Hanover. The child was born February 9, 1963.

NOMINATES 10
TO STATE BD.

HARRISBURG (AP) — Sen. Hugh Scott, R-Pa., and Dr. David Kurtzman, former Gov. David L. Lawrence's secretary of administration, were appointed to the state Planning Board by Gov. Scranton Monday.

Scranton sent the 10 nominations, four of which were reappointments, to the Senate for confirmation. The board is charged with the responsibility of preparing plans and programs for "the physical and economic development of the state."

All nominees are to serve until December, 1964, if confirmed. Scott was nominated to fill a vacancy. Kurtzman, now serves on the University of Pennsylvania faculty, was named to succeed John P. Robin, Philadelphia, who resigned.

Reappointed to the board were

Clean And Air Winter Hats
Before Storing Them Says
Mrs. Tunison, Economist

MRS. HELEN D. TUNISON
Home Economist

Brush clean and air your winter hats before storing. This special grooming attention will keep hats looking their best and give them long wear.

Spots and stains on wool fibers, feathers and other hat materials attract moths and carpet beetles. If a hat is slightly soiled, sponge it with a commercial solvent or a weak solution of ammonia and water may be all that's needed.

Use care when applying these solvents because they are poisonous. Work in a well-ventilated room or outdoors and follow directions on the solvent container.

GIVE NAP BRUSHING
If the nap of the hat is flattened, brush it gently with very fine sandpaper until the original condition is restored. Lift the nap with light strokes.

If veils need refreshing, press carefully with a cool to moderately hot iron. Be careful not to break the veiling with the point of the iron.

After refreshing each hat, place crumpled tissue paper inside the crown, under the veil and over and around the hat. Instead of covering with tissue paper you may cover each hat with a plastic bag. Several hats may be put in a large hat box without crowding or crushing them.

GET FREEZER READY

A good time to defrost and clean the home freezer is before new crops of fruits and vegetables are ready to freeze. The instruction book that came with your freezer is an excellent guide when defrosting and cleaning, but the following suggestions may be helpful.

Disconnect freezer from the electric circuit. Remove all packages and wrap in newspaper to

keep food frozen, then pack tightly into corrugated cardboard boxes. Cover boxes with blankets. Work rapidly. Place an electric fan in the open freezer to hasten thawing. Don't use hot water; it may cause motor trouble. As ice melts, remove it from freezer walls with a rubber scraper or sharp-edged wooden paddle. A metal scraper may damage walls.

CLEAN FREEZER

As ice melts, wipe up water with heavy towels. Clean outside of freezer with soap and water

or special wax polish. To clean the inside, use a solution of two tablespoons of baking soda to a quart of warm water; then wipe with cloth wrung in clear water. Clean gasket with soap and water, then rinse with clear water. Dry freezer inside and out. Connect the freezer and let it run 30 minutes before putting in the food. This will give you a chance to take inventory. When returning packages, place oldest ones on top in a chest type freezer or at the front in an upright type.

If you're making a lightweight coat or suit, use the new all-wool interlining fabric.

As a slip-in liner on cool days and a slip-out one on warm days, you can adjust the coat or suit easily to temperature changes.

Made of a ravel-free nonwoven fabric, this 100 per cent wool in-

terlining is sturdy, durable, washable and drycleanable. The fabric is warm without excess bulk, easy to cut and sew and is moth and mildew resistant.

This interlining fabric is made from two layers of wool, scientifically blended to form a sheet 48 inches wide. One yard of fabric weighs about 5 ounces.

If the coat or jacket you're making has a lining pattern, use it for the interlining. You may cut the interlining at the same time. To do this, place lining on top of interlining fabric. Pin pattern to both fabrics, keeping grainline accurate. Cut fabrics.

Still treating lining and interlining as one, join shoulder and side seams. Bind neckline, front edges and armholes with selflining fabric. To make lining detachable

sew small hooks to bound edge of

fronts and necklines and at shoulder seam and underarm seam of armhole. Make French tacks at regular intervals to match hooks.

WILL EXAMINE WAGNER'S EYES

LOS ANGELES (AP) — Leon Wagner, who has a .351 batting average and a share of the American League home run leadership, will undergo an eye examination Tuesday.

This may seem to make less sense than putting elevator shoes on Wilt Chamberlain.

But it's not Wagner's hitting that worries the Los Angeles Angels. They know he can see the pitched ball. It's when he tries to get a fix on fly balls in left field that his tracking system fails.

LOSES FLIES

Sunday a drive that looked like a single got by Wagner for a double. In the same inning, a fly ball that might have been caught went over his head for another double.

These Wagnerian masterpieces resulted in two Cleveland runs as the Indians won their fourth straight and the Angels lost their fourth straight, 4-3.

Wagner has worn glasses before and doesn't like them. "I just do not like to operate behind those lenses," he says.

But, after Sunday's game, Wagner readily conceded that it was time to have the lamps tested.

Weddings

Slagle—Houser

The marriage of Miss Rosetta R. Houser, daughter of Oscar L. Houser, Hanover, and the late Mrs. Houser, to James R. Slagle Jr., son of Mr. and Mrs. James R. Slagle, McSherrystown, took place Saturday at 11 a.m. in a double-ring ceremony and nuptial Mass at St. Joseph's Catholic Church, Hanover. The Rev. Richard J. Zimmerman officiated.

The altar was decorated with white poms and peach colored gladioli. Mrs. Francis Quigley was organist.

Given in marriage by her father, the bride wore a ballerina-length gown of nylon lace over tulle and taffeta, styled with a scalloped Sabrina neckline trimmed with seed pearls and sequins. The bodice featured a basque waist and long tapered sleeves. Her piteated bell skirt was caught in back with a large bow. Her headpiece was a crown of crystals and pearls with a net veil. She carried a crescent arrangement of white carnations on pale yellow net.

Miss Mary Judith Slagle, sister of the bridegroom, was maid of honor. She was attired in white nylon embroidered with yellow rosebuds over taffeta. She carried a colonial bouquet of yellow-tinted carnations. Jerome Storm, McSherrystown, the bridegroom's brother, and Louis Storm, McSherrystown, were ushers.

A reception at the Friendship Fire Co. hall was attended by about 150 guests. The couple will reside at 601½ Main St., McSherrystown. Mrs. Slagle is a 1962 graduate of Delone Catholic High School and is employed by Hanover Industries, Inc. Mr. Slagle, a 1961 graduate of Delone, is employed by Revonah Spinning Mills.

Bair—Smith

Miss Violet M. Smith, daughter of Mr. and Mrs. Lewis S. Smith, McSherrystown, was married to Benjamin J. Bair, son of Mr. and Mrs. William Bair, Hanover, Saturday at 10 a.m. in Annunciation of the Blessed Virgin Mary Church, McSherrystown. The Rev. Richard Hartnett officiated at the double-ring ceremony and was celebrant for the nuptial Mass. The altar was decorated with gladioli. Music was provided by the Children's Choir, accompanied by Mrs. Bernard Henry.

Given in marriage by her father, the bride wore a floor-length gown

1842, James McLeaf (McCleaf), of Hamiltonbann Township, this County, to Miss Catharine Wilkinson, of Frederick County, Maryland."

According to this record the Rev. Dr. Paxton performed his last wedding ceremony some two years before his death, which took place on April 16, 1845. There can be no doubt that he served Lower Marsh Creek Church long and well.

The Rev. Dr. William Paxton was followed at the Lower Marsh Creek Church by the Rev. Dr. David D. Clark, the son of Samuel and Mary (Duncan) Clark, of Shippensburg, Pennsylvania.

The notes on the history of this old Presbyterian Church will be continued next week.

MARINE DISCIPLINE
Cuban Spy Case Is Not Managed News
Resignation Or Trial Is Old Option

By JIM DAN HILL, Ph.D.
President, Wisconsin State
College, Superior

GENERAL SHOUP, commandant, U.S. Marines, is being undeservedly tossed about and occasionally abused in the Washington, D. C., news.

He is caught in the riptide between the press campaign against the Administration for management of Cuban news and the ages old practice of all proud institutions (civilian and military, governmental and private) of washing their linen within the privacy of their own organization.

I once knew a college official who was pulled out of bed by a telephone call to help a deeply troubled star athlete. Ere came the cold, gray dawn, he found himself an accessory to an elopement and in hiding from a paternal shotgun that normally should have been aimed at the groom.

That was his reward for trying to handle an embarrassing situation with fairness and quietly.

General David M. Shoup's problem is hardly the same, but there are some similarities.

THE ACCEPTED FACTS appear to be as follows:

A Captain Arthur M. Jackson, the wearer of a Medal of Honor ribbon for courage, bravery and deeds of valor far beyond the call of duty in a South Pacific island action against the Japs, became unduly zealous in 1961 concerning a Cuban spy suspect named Ruben Lopez. The latter was employed within Guantanamo Naval Base. Local security is a normal function of the Marine Guard on such an installa-

tion. Lock trouble developed. While Szili departed for key, tools and/or help incident to his problem, Lopez attacked Jackson. Lopez was shot—killed. Szili and Jackson disposed of the body; feared its discovery; sought and received aid from a few others for transfer to a secret grave. Rumors spread. Investigations followed.

Rather drastic corrective action followed. Erstwhile Captain Jackson is now employed as a mail carrier. Szili wants something more than his present civilian job. He is the complaining witness.

A Washington columnist broke the story with a slanted essay giving the absence of public hearings, court martials, etc., as further evidence of news management by the Administration.

General Shoup is the columnist's candidate for whipping boy.

There has been news management and mismanagement incident to the Cuban imbroglio. But an informed person, familiar with the customs and mores of all the armed services, would avoid jumping to the conclusions and accusations of the above mentioned columnist; though he is entitled to his views so long as he signs his name to them.

This highly regrettable incident has all the earmarks of an honest and conscientious effort by responsible officers at Guantanamo, later confirmed in General Shoup's office, to wash dirty linen quietly in their own backyard and to act with a degree of charity toward junior officers who had destroyed their future in the service.

Quite obviously, Captain Jackson, Lieutenant Szili and their accessories after the fact had too much explaining to do.

Why was not the senior duty officer notified the moment Lopez, the spy suspect, was located and intercepted out of bounds for an employee of his job classification? His status as a Cuban spy was something for the senior intelligence officer to know about and to investigate.

Was Lieutenant Szili on duty or off duty? If the former, why did he not relieve the captain of the prisoner and handle the matter through channels? If the latter, why was Szili called into the operation at all? Why did he willingly become an accessory? Why the use of an exit gate

World Briefs

DOUALA, Cameroon (AP)—An American diplomatic courier is the only survivor from a four-engine African airliner which plowed into a mountain Saturday night, killing 54 persons.

The survivor, who was seriously injured, is Joseph P. Capozzi of Elmira, N.Y., who was on a courier run from Douala to Lagos, Nigeria.

A British courier also was reported aboard the Air-Afrique plane which crashed and burned on Mt. Cameroon near the Nigerian border.

LEOPOLDVILLE, the Congo (AP)—The Congolese government says it will dismiss a great many of Leopoldville's mutinous city policemen. It hints that it believes Friday's revolt had deeper motives than an avowed pay claim.

Congolese army gendarmes rounded up large numbers of police from the city's four police barracks Sunday. Leopoldville has been a city without policemen since the mutiny. Gendarmes patrol the streets.

The mutineers said they wanted a 25 per cent pay raise. The government said dismissed policemen will be sent back to their home villages and instigators of the revolt will be tried.

MOSCOW (AP)—British businessman Greville Wynne, 42, goes on trial in Moscow today charged with spying on the Soviet Union.

The maximum penalty is death, but no foreigner is known to have received the death sentence for espionage.

Wynne's wife, Sheila, arrived Sunday to attend what is expected to be Moscow's biggest show trial since American U2 pilot Francis Gary Powers was tried here in August 1960.

PARIS (AP)—The Russians found and identified Adolf Hitler's body in the burned ruins of the Fuehrer's Berlin bunker 18 years ago, author Norvellus Ryan says. Ryan said the Soviet government admitted officially for the first time that they knew Hitler had committed suicide.

The Russians disposed of the body, Ryan added, but he refused to say where or how. That, he replied Sunday, "I'm saving for my book."

PRESBYTERIAN CHURCH MAY ELECT WOMAN

DES MOINES — Six area churchmen representing Carlisle Presbytery will be among the 840 commissioners attending the 175th United Presbyterian General Assembly, which opens here May 16. Sessions will continue through May 22.

The General Assembly, which meets annually, is the highest governing body of the 3.2 million member denomination. Delegates are elected on the basis of one minister and one elder for every 8,500 communicant members of each Presbytery.

At the outset, the commissioners will elect a moderator to preside over the assembly. This will be the first time in the history of the church that a woman has been nominated for the denomination's highest office. There are five other candidates.

CONTROVERSIAL ISSUE

Commissioners will also elect a stated clerk for a five-year term. Dr. Eugene Carson Blake, who has held the post since 1951, is eligible for re-election.

One of the most important items to come before the assembly this year will be the hotly discussed report on Church and State, which was commended to the churches for study by the 174th General Assembly, meeting in Denver last May.

The report deals with such matters as Bible reading and prayer in public schools, provision of birth control information by tax-supported welfare agencies, Sunday closing laws, the use of public funds for parochial schools, special privileges for the clergy, and tax exemption for religious agencies.

Commissioners to the 175th General Assembly of the United Presbyterian Church, USA, from the Presbytery of Carlisle are the Rev. Victor C. Dett, pastor of the Dickinson Presbyterian Church; the Rev. Robert A. MacAskill, pastor of the Gettysburg Presbyterian Church; the Rev. Tolbert B. Hewlett, pastor of the Silver Spring Church, Mechanicsburg; J. Earl Brubaker, Covenant Presbyterian Church, Harrisburg; Ward Milligan, Centre Presbyterian Church, Loysville; R. D. and Albert W. Tyson Sr., First Presbyterian Church, Steelton. The latter three are ruling elders.

Carlisle Presbytery includes Adams, Cumberland, Dauphin, Franklin, Fulton, Juniata, Lebanon and Perry Counties plus Dillsburg in York County. The Presbytery includes almost 22,000 communicant members in 58 churches.

KATMANDU, Nepal (AP)—Two more American assault teams are inching their way up the world's highest mountain by different routes, hoping to meet on the 29,028-foot summit of Mt. Everest.

A team of two Americans and about 12 Sherpas left the base camp Monday to attack the peak over the untried west ridge. Another group is following the south ridge route which an American team took to the top last Wednesday.

SIXTH GRADERS STAGE "SIT IN" AT ENGLEWOOD

ENGLEWOOD, N.J. (AP)—Negro children and their parents were expected to return today to the predominantly white Cleveland Elementary School, where the children bypassed the principal Monday and sat unregistered in six-grade classes.

There were no reported incidents during the three-hour sit-in by eight children.

The group is protesting racial imbalance in the Englewood schools. They have been boycotting since Feb. 26 the Lincoln Elementary School, whose enrollment is 98 per cent Negro.

PROTEST IMBALANCE

The parents said their children would remain in the Cleveland school classes "unless overpowered by physical violence and violently forced to leave."

Thorlief Henriksen, Cleveland principal, said the eight children were brought in through a side door by their parents and put in three six-grade classes while he was talking to other parents who said they wanted to register their children.

The superintendent of schools, Dr. Mark R. Shedd, said the eight were allowed to remain as visitors "in order to avoid the possibility of an untoward incident which might further disrupt the normal activities of the school."

Englewood has five elementary schools, three including Cleveland with mostly white enrollments and two with predominantly Negro enrollment.

Did Any Of Your Relatives Serve In The Civil War? If So Please Advise The Times

Adams Countians are asked to get out the family albums, diaries and Bibles to aid The Gettysburg Times in a search for local residents whose ancestors served in the Civil War.

A special section of the centennial anniversary edition of The Times will feature relatives of local residents who participated in the war, with particular emphasis on those who fought in the Battle of Gettysburg. Relatives may be direct or collateral and need not have been from Adams County. Many local residents had relatives from other areas and states who served either the Union or the Confederacy in the struggle.

Information should be substantiated with the full name of the participant, his address and the unit he served. His relationship to the local person must be supplied as well. Outstanding acts of heroism or other experiences should be given in detail.

Replies are to be mailed to The Gettysburg Times Centennial Editor as soon as possible. Please do not telephone information to the office.

The edition will be published June 28.

BRITON PLEADS GUILTY TO SPY CLAIM BY REDS

MOSCOW (AP)—British businessman Greville Wynne and Soviet scientific official Oleg Penkovsky pleaded guilty today to spying for the British and American intelligence services.

The pair went before a military tribunal at a show trial in a packed courtroom in the Soviet Supreme Court building.

Wynne, 42, a representative of British engineering firms, told the court he pleaded guilty "with certain reservations which I will make in my statement." The indictment said he acted as a courier between Penkovsky and British and American agents.

TREASON CHARGE

The 43-year-old Russian, a former official of the Soviet Committee for Coordination of Scientific Research, was charged with high treason.

The indictment said he was assigned to collect information about Soviet rocket troops, Soviet units stationed in East Germany, preparations for a separate peace treaty with East Germany, developments in relations between the Soviet Union and Red China and other political, military and economic information.

Each of the defendants could get the death penalty, but no foreigner is known to have been executed for espionage in the Soviet Union.

The indictment implicated a number of officials of the British and American embassies in Moscow. The Americans included assistant agricultural attache Rodney W. Carlson of Alcester, S.D., who left the Soviet Union last December; Capt. Alexis Davison of Atlanta, Ga., the embassy physician, who left Moscow Monday at the end of his two-year assignment; Richard Carl Jacob of Egg Harbor City, N.J., a secretary-archivist who was expelled last November; and Hugh Montgomery of Springfield, Mass., an embassy security officer whose departure never was demanded by the Russians.

Wynne had made about eight trips to the Soviet Union representing British firms. He was arrested in Hungary last November, brought to the Soviet Union and has been held incommunicado ever since.

Segregation is banned by law in New Jersey. The state operates on a neighborhood school policy whereby children are assigned to the school nearest their home. The Englewood School Board says the racial imbalance here has resulted from residential patterns.

News Briefs

BONN, Germany (AP)—The 10-day-old metalworkers' strike and lockout, West Germany's worst labor tieup in a generation, appeared headed today for a compromise settlement under the guiding hand of Vice Chancellor Ludwig Erhard.

Labor and management leaders reached agreement on a wage compromise hammered out by Erhard in a 12-hour session.

The leaders indicated that union and employer negotiation committees will accept Erhard's plan to raise wages 5 per cent for 12 months and an additional 2 per cent for 6 months, beginning next April 1. The workers, who average \$31.25 a week, had sought an 8 per cent increase.

The strike and lockout idled a half million workers in southwestern Germany and threatened to spread to 1.3 million metal workers in the Ruhr.

VIENNA (AP)—Stefan Cardinal Wyszynski of Poland arrived in Vienna today enroute to the Vatican and discussions on relations between the Catholic Church and Poland's Communist government.

WELLINGTON, New Zealand (AP)—The New Zealand government is hunting for the authors of circulars claiming to reveal details of the country's security plans in the event of nuclear attack.

Prime Minister Keith Holyoake said the information in the circular was false. They were left in hundreds of Wellington mail boxes Monday.

OTTAWA (AP)—The Bank of Canada has cut its lending rate again, from 4 per cent to 3½ per cent. The move promises easier credit.

COMEDY WILL PLAY HERSHEY

Tickets are now on sale for the three-day engagement of Broadway's comedy hit, Jean Kerr's "Mary, Mary," May 16, 17 and 18 at the Hershey Community Theater. There will be a matinee on Saturday, May 18.

One of the longest running comedy hits in the history of the

New York stage, "Mary, Mary" is now in its second year of playing to capacity audiences and the comedy has received such accolades from the press as "America's No. 1 Comedy Hit"; "A Luscious Display of Comedy"; "Jean Kerr has thrown together a confection that makes one thing of sugar and spice"; "Theater magic, an iron clad hit!"; "Hale and hearty and a sure hit" and many others that have helped to make this comedy one of the greatest ever to be seen on the Broadway stage.

Prominent Broadway, Hollywood and TV stars Patricia Smith, Jeffrey Lynn and John Lasell share starring billing. Featured are Clinton Sundberg and Heddie Bates. "Mary, Mary" is a comedy about the unending battle of the sexes, spiced with jokes, needing remarks, assorted retorts and bright impertinent lines. It is an hilarious comedy about people most others like and enjoy. Its three acts are staged in the New York apartment of a barely solvent publisher.

REUNION SUNDAY
The annual Trimmer-Gochenour reunion will be held Sunday at Holtzschwamm Church, 10 miles west of York on the Lincoln Highway.

In medieval England, the salt cellar was a social boundary at dinner table. High-ranking guests sat above the ornate silver container, lesser guests below it. King Canute's laws provided that a social climber could be "pelted out of his place by bones at the discretion of the company."

CORREGIDOR WAS GIVEN UP 21 YEARS AGO

By FRED S. HOFFMAN

WASHINGTON (AP) — "There was no question at all in my mind that we would eventually win out."

This was how Army Col. Burton R. Brown remembered it looking back to the day he walked out with Lt. Gen. Jonathan Wainwright to parley with the Japanese about surrendering Corregidor, then the last major U.S. bastion in the Philippines.

A whole new generation has come of age since that day, just 21 years ago Monday when American fortunes of war reached a low ebb in the Pacific.

IN PENTAGON NOW

West Pointer Brown, of Erie, Pa., now is a 49-year-old Pentagon staff officer, graying at the temples and showing no scars from his ordeal on the "Rock" in Manila harbor or the more than three years he spent in Japanese prison camps.

At the time of Corregidor's fall, he was a coast artillery major on the staff of the island's commander, Maj. Gen. George F. Moore.

After a grudging retreat down the Bataan Peninsula, most of the Filipino-American army had put down its arms about a month before. A command had made its way across a mile and a half of water for a last stand on Corregidor.

11,500 TRAPPED

About 11,500 soldiers, sailors, marines and civilians were trapped on the island, many of them sick or wounded and crowded into tunnels honeycombing the rock.

Brown recalled that the Japanese brought up all their artillery and pounded Corregidor along its three-mile, polliwog-shaped length. Bombers with rising sun emblems made raid after raid with no air opposition and little trouble from weak antiaircraft guns.

"Corregidor had been very lush," Brown said, "but in that month of bombardment it was denuded of trees and all the buildings on it were smashed flat."

ON LOW RATIONS

As a staff officer, Brown was in better position than most to evaluate the situation. "It was fairly apparent very early that it was almost impossible for us to get any permanent relief," he said.

He and his comrades were down to about one-third rations—"If you could call them rations at all; we ate whatever there was."

But with all of that, Brown said he never felt they had been abandoned by the United States.

He said he didn't share the feelings of some on the island that Gen. Douglas MacArthur was "bugging out" when he left besieged Corregidor and went to Australia.

HERSH WINS

NEWBERRYTOWN, Pa. (AP)—Bobby Hersh of Glen Rock won the 25-lap feature for modified stock cars Sunday night on the half-mile Susquehanna Speedway. His winning time was 9:17.04 minutes.

Jaycee President Takes Over Office

WILKES-BARRE, Pa. (AP) — Richard L. Merk, 34, of Williamsport, began his official duties Monday as president of the Pennsylvania Junior Chamber of Commerce, succeeding Donald Becker of Gettysburg.

Merk was installed at a banquet Saturday night closing out a three-day silver anniversary convention of the Jaycees. York will host next year's convention.

National directors elected included Morton Rosen, Harrisburg; Robert Geist, Kutztown; James Wagner, Johnstown; Leonard Paul J. Media; Nelson Hartracht, Hatfield; and Mitchell Kozlowski, Pittsburgh.

MINE SETTLES IN COALDALE; MOVE FAMILIES

COALDALE, Pa. (AP)—A small exodus of families has begun in the 100 block of East Lehigh Street, ripped open by a mine subsidence.

Three families had moved out when the subsidence first occurred April 17. Nine more families, totaling 24 persons, were hastily evacuated from their homes Saturday night when a rumbling in the earth warned of new danger. A short time later the pit widened to a chasm some 50 by 150 feet, and ranging from 50 feet to unknown depths.

Another family was evacuated Sunday as a precaution, and eight more are expected to move out soon.

The new subsidence, which widened the hole, occurred only two days after a \$200,000 program was announced to level the stricken block and resettle 22 families.

As the pit widened, it swallowed up the foundations of the first three homes vacated—those of Mr. and Mrs. Michael Kelly, Mr. and Mrs. John Pavlick, and Mr. and Mrs. Bernard Derzak. The three houses were left suspended over the hole, supported only by their front and back foundation walls.

LAW PLEASED WITH SHOWING

PITTSBURGH (AP)—Vernon Law's first major league test of his sore arm this season was a numerical failure but an inspirational success.

"I felt good; my arm was all right," Pittsburgh's 33-year-old right-hander said Sunday after Los Angeles whipped the Pirates 7-3 on Lee Walls' pinch-hit three-run homer.

"There's no comparison with the way my arm feels now. I feel almost 100 per cent better than last year. Just about every pitch I threw last year I felt like hollering. Apparently I've gotten most of the soreness out."

Law was pitching as effectively as he did in the Pirates' 1960 championship season until the ninth inning Sunday. Harvey Hadix relieved him after John Roseboro and Bill Skowron singled.

"I was trying to waste the ball Skowron hit," Law said minutes later in the locker room. "I wanted to get it inside. But the ball sailed over the inside corner, and he hit it."

All told, Law allowed five runs on eight hits, walked one and struck out one in 8-1-3 innings.

OFF GUARD

TIJUANA, Mexico (AP) — A festive crowd of 10,000 at a Tijuana bullring was shocked into shrieks and moans when a bull gored an offguard matador Sunday.

The 900-pound black bull caught Victor Huerta in the upper thigh and hurled him through the air. Then it gored him in the face. Huerta, about 22, was taken to a Tijuana sanitarium. Doctors said he was in serious condition. A Portuguese matador, Manolo do Santo, killed the bull.

MIAMI, Fla. (AP) — "I deserved it," said Collin D. Forrester after winding up in Miami city jail for double-jaywalking.

A policeman caught Forrester jaywalking Sunday at an intersection. After checking his list of previous offenders, the officer found that Forrester had neglected to pay a \$5 jaywalking fine last December. Forrester's bond was set at \$50.

A Lovelier You

By MARY SUE MILLER

HALO FOR THE BRIDE. A groom-to-be pictures his bride-to-be enwreathed in a halo of orange blossoms. If you are

she, this could be the time to give thought to the head that wears the halo.

How worthy is it? Is the hair in top condition? Is the hairstyle dreamy? Any doubts can be cleared away by the following procedures:

Analyze your present hairstyle in relation to the shape of your face and to the design of your bridal cap. Does it provide the utmost flattery for your face and will it fit neatly into your cap?

Mops of hair and gamin cuts just cannot qualify. Neither can do justice to a cap or a face. What's wanted is a controlled style, arranged to de-emphasize an unrespectable feature. To achieve de-emphasis, simply draw the hair into a line that runs in an opposite direction to the offending feature. For example, if the nose is long, sweep the hair up at the temples.

Once you decide on an ideal styling, hasten to have your locks shaped and permanently waved, if need be. Also go to work on conditioning ailing locks. Hair needs time to settle into new patterns.

Lastly investigate all possibilities in the hair-grooming department. Find the dressing or spray, or both, that holds your set. The control will prove invaluable on your honeymoon. It will keep you then, and later on, from the unsightly show of hardware — an eternity of rollers and pins.

No slipping halo for you!

RULE YOUR WAVES!
What's your hair problem? You will find a way to overcome it in my 16-page booklet, **RULE YOUR WAVES**. Advice includes: Beauty treatments for oily, dry and normal hair; ways to manage unruly locks; how to add color and highlights; tips on cutting, permanents and styling; grooming tricks. Write Mary Sue Miller, Box 158, The Gettysburg Times, Dundee, Ill., for your copy, enclosing a large, self-addressed, stamped envelope and 20c in coin.

SAIGON, South Viet Nam (AP)—An American Army lieutenant was executed by Communist guerrillas 30 miles north of Saigon in broad daylight Monday, a military spokesman said.

He added that two Vietnamese military men traveling in a jeep with the American were also executed by the guerrillas.

The three bodies were found later by a military patrol. The identity of the American was withheld.

FLORENCE, S.C., GIVES SAILOR BIG WEDDING

FLORENCE, S.C. (AP) — A Pennsylvania sailor and his sweetheart from back home planned a quiet little wedding ceremony, in keeping with his limited pass and his paycheck.

But Seaman Russell C. Harbaugh, 19, of Springfield, Pa., and Jacqueline Brewster, 20, of Newtown Square, Pa., had not reckoned with the generosity of some in this South Carolina community.

They originally planned a church wedding in Philadelphia. But later, in keeping with Harbaugh's 72-hour pass, they decided to get married here.

LICENSE DONATED

They asked officials to waive the usual 24-hour waiting period.

Probate Judge C. Kenneth Grimsley read their letter. Then he called out the local Navy Reserves.

A flotilla of weekend seamen met Miss Brewster when she arrived. The waiting period was waived. A magistrate donated the marriage license. A hotel provided its best accommodations and a restaurant offered the meals.

MOTHER FLOWN IN

Jacqueline's mother, Mrs. Sergeant E. Brewster, was flown to the ceremony with funds raised by telephone calls from Florence to Newtown Square.

Strangers provided flowers and a wedding cake. A uniformed Navy honor guard looked on.

The young Harbaughs said they're already planning their next visit here. "We're coming back on our first wedding anniversary," they said.

FOUR KILLED ON HIGHWAYS

By THE ASSOCIATED PRESS

Traffic accidents in Pennsylvania over the weekend claimed four lives, one of the lowest totals for a 72-hour weekend period this year.

Three died in traffic on the weekends of Feb. 8-10 and March 15-17 and on the weekend of Jan. 11-13, four died. The highest traffic toll this year was 21 on the weekend of March 29-31.

Besides the traffic victims, two persons died in fires and a little girl was killed when a driverless car hit her.

The victims: Sayre-Corinne Stevens, 3, of South Waverly, killed Sunday when a driverless car ran over her in the family driveway.

Reading—Walter E. Urban, 49, Allentown, killed Friday night in a two-car collision near Strausstown.

Pittsburgh — Michael Lazorek, 90, died in a fire in his home Sunday.

Philadelphia—Ernest Brown, 40, burned to death in a fire in his Philadelphia apartment Sunday.

Philadelphia—Michael Fahy, 6, of Philadelphia, killed by a car Saturday.

Jersey Shore—Gary Van Dyne, 19, Jersey Shore R. 1, killed Saturday in a car-truck collision near Jersey Shore.

Shenandoah — Robert Segal, 19, Shenandoah, killed Saturday when his car ran off an embankment on Route 924 about a mile from his home.

Nasser Must Be Blocked, Pair Says

WASHINGTON (AP) — Pennsylvania Sens. Joseph S. Clark, Democrat, and Hugh Scott, Republican, have joined in urging a change in State Department policy to block the expansionist aims of Premier Gamal Abdel Nasser of Egypt and stabilize the Middle East.

"While our eyes are turned on East Berlin, on Cuba, on Laos and all these other places," said Scott, "the war, that everybody fears, might well break out in the Middle East."

The Senators discussed this subject Sunday on their bi-weekly radio-television broadcast to Pennsylvania.

Clark said Nasser was accepting aid from both the United States and the Communists, and was beating down all opposition with the aim of creating a United Arab Republic. This would leave Israel surrounded by a monolithic organization bent on its destruction.

COMEDIENNE ON HONEYMOON

HONOLULU (AP) — Comedienne Carol Burnett and her new husband, television producer Joseph Hamilton, are honeymooning today after a surprise wedding in Juarez, Mexico.

The couple left New York Friday night and flew to El Paso, Tex. An airline spokesman said Hamilton, father of eight children, obtained a divorce in Juarez Saturday and then wed Miss Burnett, 28.

The marriage was her second. She divorced actor Don Saroyan last September in Las Vegas, Nev.

A Mexican judge performed the ceremony and Miss Burnett's sister, Christine, 17, was the only witness.

Mr. and Mrs. Melvin Strausbaugh announce the birth of a son Monday in the York Hospital.

Mrs. Salvador Castro and Mrs. King Westerhold spent a day recently in Washington, D. C., shopping and sight-seeing.

Preston Dougherty is a patient in the Hanover Hospital; Bernard Neiderer is a patient in the York Hospital.

Widow Of Villa Is Honorary Citizen

COLUMBUS, N.M. (AP)—With tears rolling down her cheeks, Luz Corral de Villa, widow of the Mexican rebel Francisco (Pancho) Villa, was made an honorary citizen of New Mexico Sunday.

A certificate of citizenship was presented to her at a joint observance of Cinco de Mayo—May 5—Mexican national holiday, by neighboring towns of Palomas and Chihuahua, Mexico, and Columbus.

Mayor J. V. Carreon of Columbus made the presentation.

Pancho Villa raided Columbus in 1916, killing 16 residents. He was chased into Mexico by Gen. John J. Pershing but escaped.

NBC SHOW OF WEEK DRAWS CRITICISMS

NEW YORK (AP) — Rich and important publisher Karen Holt was driving to her country house and struck a girl. Karen's philtering second-rate writer-husband persuaded her to say nothing about the girl's death. And away we went Sunday night on a nice old-fashioned murder mess on NBC's "Show of the Week."

As a matter of personal taste, I prefer my murder stories in the form of mysteries. "Something to Hide" was not so much a whodunit as a story about heaping one lie upon another until the whole structure collapsed.

There was a little snapper ending with a last-minute murder and solution. There was also, at the end, a strange Mona Lisa smile on the face of the heroine that suggested she hadn't been up to any good.

COMPETENT COLLEEN

Colleen Dewhurst competently played the suffering lady publisher. Dirk Koolman was properly venal as her weak, conniving husband. Henry Jones was the polite but smart rural district attorney who solved everything — a nice role that should have been larger. It was all good fun.

Don McNeill of radio's perennial "Breakfast Club" program is host of an exceptionally tedious little television guessing game called "Take Two," which made its first appearance Sunday afternoon on ABC.

DULL AND AWKWARD

The object is for the teams of players to pick two pictures with something in common out of four shown: actors Lew Ayres and Richard Chamberlain, both of whom played "Dr. Kildare" out of a set containing pictures of Bertrand Russell and Eddie Rickbacker, for example.

It followed the rigid format of daytime game shows: celebrity contestants and "just folks" plus the usual confusing clutter of electronic equipment—buttons, buzzers, flashing numbers and such.

It was a dull, awkward little show, reminiscent of so many others.

MINOR MISHAP ENDS IN DEATH

PHILADELPHIA (AP)—James T. McCann, 25, Philadelphia, a dry-cleaning operator, is held without bail on charges of murdering a man he didn't know.

Police said the victim, Robert Kibler, 31, Philadelphia, a partner in a bricklaying and plastering business, was involved in a minor auto collision in North Philadelphia Sunday with Harry Hogan, 34, Alden, Delaware County.

McCann approached while they were talking and offered to call a policeman. He returned instead with a bayonet and a 22-caliber pistol, police said. McCann later told police he wanted to frighten Kibler. He gave no reason.

Police said he admitted he had been drinking.

"I lost control of myself," he told them.

Police said Kibler tried to defend himself and was shot in the chest during the struggle. He was dead on arrival at Temple University Hospital.

He is survived by his widow and two children.

Jury Can't Agree On Death Penalty

PHILADELPHIA (AP) — Judge Leo Weinrott has postponed sentencing of convicted murderer Loney B. Johnson, 22, to allow time for the defense to file an appeal.

Johnson was convicted Friday night of budgeoning Mrs. Claire Kramer, 42, to death with a tire iron during a burglary of her home in Wynnefield Heights last Oct. 11.

But the jury was unable to decide on the penalty Saturday, leaving it up to the judge, under state law, to impose a mandatory sentence of life imprisonment.

Rodney B. Langnas, 19, and Leonard Engler, 24, also arrested in the slaying, pleaded guilty and are awaiting sentence.

\$300 BLAZE

CHICAGO (AP)—A small fire in the observation pavilion at the 45th floor of the Chicago Board of Trade Building Sunday caused an estimated \$300 damage.

Fire Marshal Gerald Millin said the blaze started from a short circuit in some electrical wiring. No one was injured.

HARRISBURG, Pa. (AP)—Goodwill Industries, plagued by a series of burglaries, placed Cleo, a large Doberman Pinscher, inside the building as a watchdog. For three weeks the dog stood

23 ARRESTED IN FEDERAL RAIDS

By THE ASSOCIATED PRESS

Thirty-three persons face gambling charges today following a series of weekend federal raids in eastern Pennsylvania and the Pittsburgh area.

Twenty-seven were arrested in four western counties: Allegheny, Westmoreland, Lawrence and Washington.

The Internal Revenue Service director in Pittsburgh, John H. Binger, said the raids have probably thrown a kink in the operations of "one of the biggest numbers rings in Allegheny County."

Arrested in two bars in north Philadelphia and held on \$500 bail each were Wilmer Cottman, 48, of Philadelphia, a bartender; Michael Marchak, 35, of Conshohocken, also a bartender; and Joseph Fomenko, 45, of Philadelphia.

John A. Basciano was arrested in nearby Lansdowne and was held on \$2,500 bail.

Picked up in Hazleton were Dominic (Lefty) Musoline and Louis (Lam) Farace. Agents said they ran stores as fronts for gambling establishments.

DEDICATE NEW BUILDING AT NEW WINDSOR

NEW WINDSOR, Md. — Dr. Andrew W. Cordier, former executive assistant to the secretary General of the United Nations, warned American churches to think in terms of "partnership in growth" rather than the old-fashioned concept of "assistance" if they want their aid programs to succeed.

Dr. Cordier, new dean of the School of International Affairs of Columbia University, New York City, was the keynote speaker at the dedication here of a new \$75,000 three-story brick building where contributions of clothing, food and other supplies donated by members of Protestant churches throughout the Eastern states are processed and packed for overseas shipment.

Representatives of Church World Service, Lutheran World Relief and more than 30 cooperating Protestant denominations were present at the dedication at the Brethren Service Center here. Operated by the Church of the Brethren on the campus of former Blue Ridge College, it serves the other Protestant agencies in a growing program of world relief operations.

Dr. Cordier, a minister of Church of the Brethren, warned "if there is pride on the part of the donor, there is humiliation on the part of the recipient. We talk of partnership in building our churches, colleges and hospitals, why not in building the world?" he asked the religious leaders.

He said he found in his nearly two decades at the U.N. that people of other races and cultures have much they can share with Americans.

GROUND BREAKING TOO

"You find their cultures so rich in values which we are often lacking that before long you begin to feel we are the ones who are in need," he observed. Dr. Cordier urged Americans to demonstrate their belief in Christianity as a practical philosophy of life in their everyday relations with the world. "The teachings of Jesus are a practical down-to-earth guide for the solution of every human problem," he declared. "You can be firm — very firm — in international diplomacy and still be fair, honest and above-board. If your opponent is devious and dishonest, you do not need to abandon your moral principles to counter him."

The former No. 2 man at the United Nations said Americans talk much about peace, but give little toward it. "Our whole con-

Anonymous Man Pays Income Tax

ATLANTA (AP) — "John Doe Anonymous" has paid the Georgia Revenue Department \$693 in income tax.

The payment received Monday was in seven U.S. postal money orders issued at Chattanooga, Tenn. The return listed the payee's taxable income for 1962 at \$12,750.

Fred Cox, income tax supervisor, speculated that the money might be from moonshine whisky sales, a lottery or some other form of gambling—or just income the sender didn't want his wife to know about.

PLAN ADDITION TO HOSPITAL

PHILADELPHIA (AP) — The Episcopal Diocese of Pennsylvania is expected to vote during its current convention on a proposal to build an 80-bed addition to All Saints Hospital in Philadelphia.

The Rt. Rev. J. Gillespie Armstrong, bishop coadjutor of the diocese, recommended construction of a \$1.25 million addition, at the 178th convention Monday. An addition, he said, "can meet a great and pressing need for the aging in our community."

Reviewing the stewardship of the Rt. Rev. Olivir J. Hart, retiring July 18 after 20 years as bishop of the diocese, Bishop Armstrong noted that the church membership grew from 76,375 in 1943 to a present total of more than 90,000.

Bishop Armstrong is to succeed Bishop Hart.

More than 800 clergy and lay delegates representing the diocese's 202 parishes and missions attended the convention.

tribution to the United Nations amounts to only \$1.06 per person per year," he pointed out, "yet we hear constant complaints about how much the U.N. costs. I sometimes wonder if people deserve peace, they are willing to do so little toward it," he added.

At the same time the new material aid building was dedicated, ground breaking was held for another \$10,000 annex to provide quarters for the two-year old Protestant organization, Interchurch Medical Assistance, which annually collects and distributes \$3,000,000 worth of medicines and drugs.

COMMIES SAY YANKS DEFECT TO E. GERMANY

By JOHN O. KOEHLER

BERLIN (AP) — Communist East Germany says a U.S. Army captain and a sergeant have appealed for political asylum. The Army confirmed that the captain crossed into East Germany and the sergeant is missing from his unit.

The captain was a native of Communist-ruled Lithuania, and his mother in the United States received the report with alarm and disbelief. The sergeant's wife had nothing to say.

SCRANTON MAN

The East German news agency ADN identified the pair as Capt. Alfred Svenson, 30, of Scranton, Pa., and Sgt. Benjamin Cain, 35, of Frederica, Del.

There apparently was no connection between them, Svenson was stationed with a tank battalion at Giessen, near the border between West and East Germany, and Cain in West Berlin.

ADN said Svenson drove across the border in uniform in a military vehicle Saturday and Cain contacted authorities in East Berlin Friday to ask for asylum.

U.S. Army headquarters in Heidelberg said it was investigating both cases.

Svenson is a bachelor. His mother, Mrs. Antonio N. Svenson, Washington, D.C., said her son "must have been tipsy" and refused to believe he had gone voluntarily to East Germany.

FORMER D.P.

Mrs. Svenson said her husband was killed by German bombs in Lithuania and she and her son fled to the West shortly after World War II. They reached the United States after living in a displaced persons' camp in Germany.

"He's being tortured," the weeping mother said. "Oh, I know how the Soviets torture, and if they find out he's a D.P., he's dead already."

Mrs. Svenson said her son last wrote in January and his letter indicated nothing was amiss.

In Newburgh, N.Y., Cain's wife declined to comment. She said she had not received official word from the Defense Department.

She and Cain have been married for 10 years and have three children, a relative said.

LARGE CROWD SEES SPRING HORSE SHOW

A large crowd of about 1,200 were present at the annual spring horse show of the Carroll-Adams Riding Club Sunday afternoon at the club grounds near town. Kentucky Facing A Costly Election

NEWPORT, Ky. (AP) — Campbell County officials figure the May 28 election could cost the county \$25 a voter in precinct 2-A.

Urban renewal has left only one house in the precinct—and its occupant is expected to move before the election. That leaves two voters—Michael Maloney, the courthouse custodian, and his brother, who live upstairs at the courthouse.

Election officials say it will cost \$50 to install a voting machine and keep four judges on duty at the polling place.

SCRANTON HAS SOLD D.C. HOME

HARRISBURG (AP) — Gov. Scranton's family will vacate its fashionable home in Washington, D.C., next month and turn the key over to Undersecretary of State Averell Harriman, its new owner.

Jack L. Conmy, press secretary to the governor, said last night that Scranton had sold the three-story, brick house in the Georgetown section to Harriman several weeks ago. The purchase price was not disclosed.

Scranton bought the house following his election to the U.S. House of Representatives in 1960.

When Scranton became governor last Jan. 15, he set up residence at the governor's mansion at nearby Indian town Gap.

The Scrantons left their two youngest children, Joe, 13, and Pete, 8, in Washington to finish school. Mrs. Scranton divides her time between Washington and Indian town Gap.

VALLEJO, Calif. (AP) — Vice Adm. Hyman G. Rickover personally put the Navy's newest nuclear submarine, the Andrew Jackson, through two days of sea tests and pronounced the ship seaworthy Monday.

Then he left the submarine and it put out to sea for further tests, expected to last for about two days.

Consolation, trophy and ribbons, first, "Chubby" ridden by Ernie Carroll; second, "April," Roger Shelleman; third, "Golden Major" ridden by Charmaine Farnham; fourth, "Gypsy" ridden by Marilyn Smith.

The judge was Earl B. Stitley. Col. John Downin was master of ceremonies and Thomas L. Cookson Jr. was ringmaster. The ribbon girls were Freda Arentz, Joyce DeGroff, Sandra Crouse and Krisann Stahley.

In connection with the horse show a pony was awarded to Mrs. Joe Kiser, New Oxford; a fry pan to Wayne DeHoff, Littlestown, and \$10 cash to Edwinna Snyder, York.

The officers of the club are: President, Ivan E. Arentz; vice president, Bernard Stahley; secretary, Mrs. Arlene Stahley; treasurer, George Basehor; directors, Irvin DeGroff, Wilmer Barnes and Oscar Sentz.

The Carroll-Adams Riding Club is a member of the Carroll County Horse Show Circuit.

MISS BLATT IS INAUGURATED FOR 3RD TERM

HARRISBURG (AP) — Miss Genevieve Blatt faced a third consecutive term as state secretary of internal affairs today with a vow to keep the agency "constantly moving forward."

"In government, of course, we can never just stand still," she said in remarks prepared for her inauguration.

"We move forward," she said, "or we inevitably slip backward." Miss Blatt was re-elected last November by a slim margin of some 1,400 votes. She defeated Republican Audrey Kelly, now state insurance commissioner.

SPEAKS BRIEFLY

The internal affairs post is the only statewide executive office allowing the holder to succeed himself.

Under the state constitution the secretary of internal affairs is inaugurated the first Tuesday in May, instead of in January with other state executives.

In a brief address Miss Blatt outlined what her department has done during her administration and indicated what she hoped to see accomplished during the next four years, including the placing of land records in fireproof vaults, passage of federal and state legislation against deceptive packaging, the providing of up-to-date business statistics on Pennsylvania, and continuation of the topographic and geologic survey of the commonwealth.

She added: "I want to see our bureau of municipal affairs give more and yet better service to local governments, especially in the field of encouraging and instructing them in how to work together for the accomplishment of joint objectives."

CAST VOTES FOR MAYOR

BALTIMORE (AP) — A Republican ex-governor and a Democrat running on the GOP ticket bucked overwhelming Democratic voter registration today in the city's municipal elections.

Former Gov. Theodore R. McKeldin is given a 50-50 chance of winning the race for mayor, a post he held from 1943 to 1947 before his rise to two terms in the state House. He was defeated in a try for City Hall in 1959 by J. Harold Grady, who has since been appointed judge.

McKeldin, 62, is appealing to the city's 379,328 registered voters—nearly 80 per cent of them Democrats—to choose him over Grady's automatic successor, Philip H. Goodman, 48, former city council president.

Goodman has used a recorded endorsement he received from President Kennedy, which urges Baltimoreans to vote for Democrats in the election. The Goodman forces say this doesn't include Hyman A. Pressman, a Democrat running for comptroller on the Republican ticket.

KIME TO RETIRE

HARRISBURG (AP) — Capt. Frank McKetta, assistant superintendent of the state Police Academy at Hershey, will become deputy state police commissioner on May 30.

McKetta was appointed to the \$13,500-a-year post Monday by Gov. Scranton. He will succeed Maj. John D. Kime, who will retire May 29 after 40 years on the force.

"The modern newspaper literally has its fingers reaching out toward every quarter of the globe and every finger is sensitive and every nerve brings back the treasures of the intellectual wealth that are stored up there, and a photograph of the occurrences of life that are there taking place," C. D. Warner, author.

Fairfield, Pa.

The proposed budget of the Gettysburg Area School District may be examined in the Office of the Superintendent of Schools at the High School Building between the hours of 8:30 a.m. and 4:30 p.m., Monday through Friday. Adoption of the budget is scheduled for Monday evening, May 13, 1963, at a special meeting of the Gettysburg Area School Board to be held in the Superintendent's Office, High School Building at 7:30 p.m.

Part (b) of Section 680 of the 1949 School Code of Pennsylvania as amended, reads as follows:
"Every resident or inhabitant in any school district, upon attaining twenty-one years of age, and every person twenty-one years of age or over becoming a resident or inhabitant in any school district shall, within twelve months after the happening thereof, notify the proper assessors of his becoming of age or becoming a resident or inhabitant. Any person failing, within said period, to notify the assessors of the school district within which he resides, shall, in addition to the tax levied by such school district, be liable to such school district in a penal sum equal to such tax."

The board of school directors shall at the same time as they give public notice of a proposed budget, include a notice of the requirement of this section, together with the name and address of the assessor to be notified. The names and addresses of the assessors in the Borough of Gettysburg, Freedom Township and Highland Township are as follows: First and Second Ward, Eugene Schriber, 17 York Street; Third Ward, Mrs. Anna L. Miller, 20 West Middle Street; Freedom Township, Mr. Robert E. Wenschhoff, Gettysburg R. 2, Pennsylvania; Highland Township, Mr. J. Clifford Bieseker, Oortanna R. 1, Pennsylvania.

PRIEST THROWS BIRTHDAY BALL FOR 300 GUESTS

QUARRYVILLE, Pa. (AP) — Father John R. Campion, pastor of St. Catherine of Siena Church, had only one birthday party in his life, and he figured it was about time for another one.

But he also figured one more would be enough, so he made sure it was a dandy.

A 16-piece dance band, a 21-voice chorus, and some 300 guests jammed the basement social room of St. Catherine's in this Lancaster County community in south central Pennsylvania to help the Rev. Campion celebrate his 40th birthday Monday night.

Also present were his mother, Mrs. Leo Campion, and two brothers, Thomas Campion and the Rev. Edward Campion, all of Mt. Carmel, Pa.

"GROUNDHOGS" ATTEND

Even the Slumbering Lodge of Groundhogs, famed for its yearly Groundhog Day watch, roused itself for the occasion.

The Rev. Campion himself was surprised by the proportions of his party.

"I never thought I'd see it this crowded," he said, "and for a birthday party—and for me."

Deluged with gifts, he added, "I wouldn't have believed this could happen. I know I'll never forget it."

Among the gifts was a reclining easy chair presented from his parishioners.

"You people surely must trust me," he said, accepting it. "The reason I never had an easy chair in the rectory before is that I knew I wouldn't get any work done."

"MERRY PARTY"

Father John had stressed that the party was to be a purely secular occasion.

"This is no gimmick," he said before the party, "no sly adventure in parish fund raising ... This celebration must contain the merry-making of a lifetime."

With the party in full swing, he did his best to make it that way, joining in with a hearty tenor as the Lancaster Chorus—a singing group from Lancaster and Chester Counties—sang "Old Man River" and the popular hit "Moon River."

As midnight approached, a few apprehensive souls began dropping hints about the hour, but Father John chose to ignore them. "Tomorrow's another day," he said. "Now everybody get out there and dance."

TAIPEI, Formosa (AP) — Chinese Nationalist military sources expressed doubt Monday of a Hong Kong newspaper report that the Chinese Communists have a Soviet-manned rocket base near Nanking.

The Kung Sheng Daily News said the base is equipped with intermediate missiles trained toward Formosa, the Philippines and Japan.

Rep. Walter Rallies From Brief Relapse

WASHINGTON, A.P. — Rep. Francis E. Walter, D-Pa., suffering from a respiratory ailment, has rallied from a decline suffered during the weekend, his doctor reports.

Dr. Darrell C. Crain said Monday that the 66-year-old chairman of the House Committee on Un-American Activities, currently being treated at Georgetown Hospital, "took a turn for the worse over the weekend," but was much better Monday and "was sitting up in bed reading the papers."

Walter, who had planned to retire following the last Congress and go to a drier climate, changed his mind, ran successfully, and is currently serving his 16th consecutive term in the House.

BAD BLAZE AT SUNBURY

SUNBURY, Pa. (AP) — A fast moving fire that sent showers of sparks and smoke into the air wrecked at least four buildings in Sunbury Monday night and today.

At least one Pennsylvania Railroad train was delayed for about two hours when firemen laid hoses across the tracks. The blaze burned an apartment building, a vacant store, a boarding house and a home. All were frame structures. At least nine families were left homeless.

Witnesses said the first alarm was turned in about 11:20 p.m. Within 25 minutes roofs were collapsing, said witnesses.

Several hundred spectators turned out to watch the spectacular blaze, which could be seen in surrounding communities.

At times smoke drifted down onto the spectators. Seven firemen were treated at a hospital for smoke inhalation and released.

Cause of the fire was not immediately learned and a state fire marshal was summoned to probe the wreckage.

JIM BROSNAN SAVES WIN FOR NEW OWNERS

By MIKE RATHET
Associated Press Sports Writer
"The moving finger writes and having writ, moves on."

And so did Jim Brosnan.

Brosnan, the well-known author and well-tagged relief specialist who wrote himself into the Cincinnati doghouse, made his first American League appearance Monday night and preserved the Chicago White Sox' 5-1 victory over first-place Kansas City.

Brosnan found himself in trouble with the Reds this season whenever he picked up a baseball or a pen. He made six relief appearances for Cincinnati and had been bombed for a 7.20 earned run average in 4 2-3 innings.

TO CHICAGO ON WAIVER

The author of the widely read "The Log Season" and "The Pennant Race" also ran into trouble over his writings, although Cincinnati owner Bill DeWitt denied he had put any gag on the 33-year-old right-hander who posted a 10-4 record when the Reds won the pennant in 1961.

"In every baseball contract," explained DeWitt, "there's a clause prohibiting players from writing without the club's permission. I merely called this to Brosnan's attention. He promised me he would submit to me for approval anything he wrote. He did not live up to that promise."

Whether that or his lack of success on the mound was the reason for Brosnan's departure, is a guess. But as in the words of Omar Khayyam, Brosnan moved on, the Reds shipping him to Chicago Sunday in a waiver deal.

A'S IN TIE NOW

Hours after arriving he was out on the mound, taking over for Gary Peters in the ninth inning. Brosnan struck out two of the three he faced, preserved Peters' first major league victory and gave himself something to write home about.

The loss dropped the A's into a first-place tie with the New York Yankees, who got home runs from Mickey Mantle and Tom Tresh in a 10-3 wallop of Detroit.

In the only other AL game, the Los Angeles Angels edged Minnesota 5-4. Pittsburgh retained first place in the National League, beating the Los Angeles Dodgers 7-4 in the lone game on the NL schedule.

VICTORY FOR FORD

Mantle, Tresh and Bobby Richardson each stranded three hits as the Yankees pounded out 15 against Tigers' starter Hank Aguirre and his successors. Both Mantle and Tresh drove in three runs. The victory went to Whitey Ford, who needed relief help from Jim Bouton to nail his third straight victory.

Albie Pearson, who earlier had batted in two runs with a double, produced another two-run double in the last of the ninth as the Angels came from behind to beat the Twins and end a four-game losing streak. Minnesota had snapped a 3-3 tie in the top half of the inning on Zoilo Versalles' run-producing single.

Johnny Logan's pinch-hit single with the bases loaded in the sixth inning capped a four-run Pirate explosion against Don Drysdale and the punchless Dodgers, who have lost seven of their last nine games. The Pirates had tied the score earlier in the inning on a run-scoring double by Bob Skinner, who eventually scored on a infield out.

Feeder: Good and choice 810-907 lb. feeder steers \$22.75-23.75, few lots good and choice 740-765 lbs., \$24-26.50, several lots and 2 loads good and choice 510-620 lbs., \$26.35-29.50; medium and good 315-495 lb. steer calves, \$22-26; few good 451-506 lb. heifer calves, \$21-23.

HOGS—Receipts, 1,000; barrows and gilts fairly active, mostly 25c higher; sows scarce, few sales fully steady.

SEEK RULE ON CALLING BALKS IN BOTH LOOPS

NEW YORK (AP) — National League President Warren Giles, whose league leads the American in balks 96-9 at this early stage of the season, huddles with AL President Joe Cronin and Baseball Commissioner Ford Frick today over the rash of balk calls.

They will apparently try to work out a ruling that will fit both leagues, before the All-Star Game and World Series come along.

All three men will be in town for the regular meeting of an executive council at Frick's New York office.

SEEKS PACT

The balk talk probably will come up before the meeting. Giles said earlier, when the balk business broke out through his league like a rash without spreading to the AL, that he would use the opportunity to try to work out a common approach.

Giles ordered his umpires to pay closer attention to the moves of National League pitchers this season. The result was a balk record in the first three weeks of the season. The old record was 86 in 1950.

There was little or no sign of an increase in balks in the AL. Giles later urged his umpires to slow up, but they have not stopped calling balks.

SINNERS ONLY

CHICOPEE, Mass. (AP)—The 10:45 a.m. service at Federated (Protestant) Church was better attended Sunday than usual.

The Rev. C. W. Kirkpatrick announced last week that the service would be for sinners only "and all saintly persons are requested to stay home."

Some 135 persons showed up for the service. The Rev. Mr. Kirkpatrick said usual Sunday attendance is between 105 and 115.

BEIRUT, Lebanon (AP)—Archbishop Khoren Paroyan of Lebanon is the new supreme head of the Armenian Orthodox Church. His jurisdiction covers the faith throughout the non-Communist world.

He was elected Sunday in balloting by 93 delegates from the United States, Greece, Syria, Lebanon, Cyprus and Iran to succeed the late Zareh I.

Guard Bob Lehmann of Louisville will captain the 1963 Notre Dame football team. He's a junior majoring in mechanical engineering.
